It was too true to attemp? to tion which he has disgraced by his controvert. It was easier to say there rufflanism, was "nothing in it" than to prove the

assertion. But the press apologists for the

wrong, assert that the measure "strikes a Staggering blow at polygamy." When asked how the disfrauchisement of non-polygamists is an assault upon polygamy, they claim that the "Mormon" men who are not polygamists believe in polygamy, that the women are and completely under the control of the men and compelled to vote as they command them. This is a pure

assumption unsupported by a single fact. It is very unreasonable, too, and contrary to what is known of the nature of womankind. An attempt to coerce women holding the ballot would be more likely to provoke them into contrariety than urge them to compliance. and we have to repeat once more, for the enlightenment of our

contemporaries at a distance, that the ballot in Ulah is strictly secret. If a woman wants to vote any kind of a ticket, the power is in her own hands to do so without the slightest probability of detection. Where, then, does the coercion come

It may be asked what does the Sixth Section of the bill mean which repeals the Utah laws "providing for the numbering or identifying of the votes of the electors?" We answer it means that either Mr. Tucker and his associates

were deplorably ignorant of the truth, were deplorably ignorant of the truth, or they have perpetrated a shameful pice of deception noon Congress and the country. For there are no such laws in existence in Utah, but on the contrary, the local election laws forbid any such numbering and identi- chief anti-"Mormon" organ is out fication. There are other sections of this morning with a flaming article lower than ever, and this means that the bill, also, for the repeal of assumed Utah laws that are not upon the statute books. And if the implied falsehood the assignee, in which he at of Section Six were a fact, would not tributes his financial woes to the repeal of the alleged laws for the a "Mormon" conspiracy to identification of votes do away with ruin him, and the gumptionless the power to learn how any woman voted, and thus destroy the pietended the lamentation and accusation, but objection to her possession of the interlards it with endorsement and ap-

baliot? But even if women voters were in-fluenced to cast their ballots as desired fluenced to cast their ballots as desired by others, why should it be worse for them to do this than for men voters to do the same thing? How is it in New York, and in Boston, and in St. Louis, and in Chicago? Do men ever vote and in Chicago? Do men ever vote there as influenced by political leaders and bosses? We refrain from any comment upon votes bought, or the coercion said to | be used by em-ployers upon their employes. But why should it be worse for men to be induced to vote in any given direction in Utah than to do so in any other part of the Union; and, to come back to the central point, and the interview the the top to an and to be so inand in Chicago? Do men ever vete trumped-up charge." It may beshere
