Lately of U. S. Land Office, LAND AGENT 🗄 ATTORNBY

Great praise is awarded to the Chinese government for extensive

improvements in light houses, buoys, etc , all along the coast. The determination is loudly expressed in the capital to maintain the Chinese position at Kashgoria and meet the Russian approaches

with a determined resistance, if Yokohama, July 29.-Grant's en-

tertainments continue to chiefly occupy public attention. Since last accounts he has visited various

Jehovah. It was not therefore of Jewish origin. But if it were, that would be no argument for its aboli-tion. If it is to be condemned be-cause it is Hebraic, many other institutions and principles which are cherished by Christians to-day should be also abplished, for they should be also abolished, for they were derived from the Mosaic code, which indeed is acknowledged to be the basis of modern jurispru- the breast. Kalloch turned to re

dence. The marriage of one man and one woman in a cere-mony performed by a priest, is as much a relic of Judaism as plu- ed it over and tore him out. He ral marriage. So is Sabbatiam; so is the worship of Jehovah; so is the killed on the spot had not an undoctrine of atonement; so is the death penalty for murder; one not denly to his rescue and hurried him to la more so than the others. If polygamy were of Hebrew origin it would be no valid argument against in jail and had made arrangements

And "Mormon" plural marriage is not a relic of barbarism. No barbarian race ever practised it under regulations similar to those jail. There was never a time when of the "Mormon" Church. It

patriarchalism, but not barbarism. Whatever there is about it peculiarly ancient, was observed by the most enlightened of the early races. It is said to be degrading to women. On the contrary, it tends to elevate the weaker sex, and to make them independentrather than servile. The poly-gamic women of ancient Judah of the Chronicis. This morning, the heads of their families than in former times, that is no reason tunities for the marriage of every gree of independence among women, generally, than in places where there is no chance for thousands of them to attain to wedlock, the goal of their ambition.

In most polygamic families in Utah, the ladies of the household are at least as wifelike, matronlike, self-confident and womanly as those in monogamic households. They are not any more dependent some of them not so much, as monogamic wives. They live in nomes, and have the care, protection, love and confidence of their husbands equally with single wives. If it be objected that a man cannot truly love more than one woman at the same time. answer, that is mere assertion, and is certainly not true.
