purchase of stocks for the rise that was coming from improved general business.

Replying to the general suggestion that if they sell out it will cause ten percent decline in the financial journal says: Keene's difficulty is to find somebody to sell to. His fix is like the hunter who, holding a grizzly by the tail, begged somebody to come and help him let go this bear.

Barling Diamond Robbery.

CHICAGO, 25.—Last Tuesday night a bold and successful robbery was perpetrated by a woman and a male accomplice in the Palmer House, whereby some \$500 worth of diamonds were taken from a Mr. Shay, and others of this city. The matter was kept quiet by the police, and to-day detectives Scott and Helms, the Nez Perces war, Barry at Kanabek, and brought him to this city. All the stolen goods, with many others, were recovered with him, and it is understood that he confesses the robbery. The woman has not been captured.

Gen. Howard and the Nez Perces War.

Gen. O. O. Howard, who arrived from the west last night, having either personally or through an officer given out, without consent of headquarters here, a report made by himself to General Sheridan concerning the Nez Perces war, which at least gives a more flattering account of his share in the hostilities than was given in other reports, and the Tribune having published that report this morning, General Sheridan has called attention to an old order which makes such action a misdemeanor punishable by dismissal and intimates that upon a repetition of the offense this punishment will be visited upon the head of the transgressor.

The Indiana Moving.

RED CLOUD AGENCY, Neb., 25.—The removal of Indians hence to the vicinity of the Missouri River began yesterday morning, and was finally completed to-day. They were escorted by Captain Lawson's and Lieutenant Cummings' companies of Third Cavalry. No dissatisfaction is evinced by the Indians; on the contrary, all moves harmoniously. The march will be a long and tedious one, probably occupying a month. Spotted Tail will not move for a few days.

FOREIGN.

GREAT BRITAIN.

Expelled by the Pope's Order.

LONDON, 25.—Several dispatches from Rome assert that the general of the Jesuits, by the Pope's order, have been expelled from the society. Father Cruci, editor of the Civiltà Cattolica. Both as a sacred orator and writer, he has heretofore been regarded as one of the brightest ornaments of the order, and of the Roman church. Father Cruci's offense was in maintaining that the temporal power is not necessary to the well-being of the church. It is said that he has been expelled from the society, and that he has been ordered to leave the country, and that he has been ordered to leave the country, and that he has been ordered to leave the country.

Eastern War News.

A Bucharest correspondent says: After making a tour of the Czarowitch's position, he is convinced that a winter campaign is impossible with the existing transportation system. Already fodder sometimes fails for days.

Kars has been bombarded and part of the city has been destroyed. The place is provisioned for four months.
