GOOD PROGRAM OF BICYCLE RACES

Fine Weather Brings Joy to the Hearts of Riders and Fans.

ANOTHER AMATEUR COMING.

Professionals Will Have Two Mile Handicap, Quarter Mile Open And Invitation.

The prospects for warm, dry weather has brought gladness to the hearts of the local bike riders and fans. The former see money ahead and the latter a fill of their favorite sport. For about two weeks one race was squeezed in when the weather man was not looking. Local riders will go to Ogden this evening but they will be on hand tomorrow night for the meet postponed last Friday evening.

The program is a good one and should make some changes in the standing of the riders. The professionals will have three events. There will be a two-mile handicap with prizes of $60, $40, $20 and $10. The winner of each lap will be given $1.

For the quarter-mile dash, an event which should prove sensational, the prizes are: $40, $20, $10 and $5. The also rans will get in the invitation race, half-mile. The prizes are $25, $15, $10 and $5.

There will be a big line up of amateurs in the five-mile lap race, and if there are not a number of "spills" it will be surprising. The purses run from $15 to $4 and the lap winners will get 50 cents each—only they won't get the prizes in money. The amateurs will also have a half-mile handicap.

Frank Eifler of Atlantic City, N. J., an amateur of speed, is expected to enter the races tomorrow night. He sent a telegram to Hollister stating that he would arrive here in time for the races. Eifler won the Decoration day roadrace at Atlantic City, and according to reports will make the local amateurs go some.

Up to date the standing of the riders at the saucer, and their winnings, are as follows, but changes may be looked for tomorrow night:

Nervous Worn-Out

If you are in this condition, your nerve force is weak—the power is giving out, the organs of your body have "slowed up," and do their work imperfectly. This failure to do the work required, clogs the system and brings distress and disease. When the nerves are weak the heart is unable to force the life-giving blood through your veins; the stomach fails to digest food; the kidneys lack power to filter impurities from the blood, and the poisonous waste remains in the system to breed disease. Nerve energy must be restored. Dr. Miles' Nervine will do it, because it strengthens the nerves; it is a nerve medicine and tonic, that rebuilds the entire nervous system.

"Several years ago I was all broken down. I was nervous, worn-out, could not sleep, and was in constant pain. I doctored for months, and finally the doctor said he could do nothing for me. I began taking Dr. Miles' Nervine, and used altogether eight bottles, and I became strong and healthy, and now weigh 170 pounds."
H. C. CUNNINGHAM.
108 Ellsworth Ave., Allegheny, Pa.

Dr. Miles' Nervine is sold by your druggist, who will guarantee that the first bottle will benefit. If it fails, he will refund your money.

DUBEI'S TEAM WINS.

Gives Occidentals a Severe Drubbing At Walker's Field.

Dubei's ball team gave the Occidentals a severe drubbing in their game at Walkers field. The final score was 16 to 2. The Occidentals started out well but their good work continued for two innings only and then the Salt Lake team began doing things to the colored aggregation and used up two of their pitchers. Arrangements had been made for a game with Murray but the team from the smelter town failed to show up and the Occidentals took its place. The detailed score follows:

FORTUNE FOR RACES.

Coney Island Jockey Club Will Give $300,000 in Purses.

New York, June 17.—The prosperity of horse racing in New York is indicated by the fact that the Coney Island Jockey club, which begins its spring meeting at Sheepshead Bay on Thursday, next, has arranged a program which calls for $300,000 in purses and stakes. The chief feature of interest, next to the $20,000 Suburban, is the Triple event arrangement which will have its first running this year, the winning of the three most important stakes of the meeting for horses of their age, carries with it in case anyone horse wins the three events, $10,000 as a special prize to crown the champion. The three events include the Tidal, the Lawrence Realization, and the new fixture, the Coney Island Jockey club stakes. The total value of these races to the winners is $50,000. Should one horse win all three, the $10,000 added for this feat would net his fortunate owner $70,000.

"PENNY" GOSSIP.

Manager Heagren of the Ogden bicycle track will make another attempt this evening to give a race meet. Four had to be postponed on account of rain. Practically all the local riders will go to the Junction City on the 6:30 Rio Grande this evening.

The Ely ball team will play Ogden on July 4 and 7. Gimlin has received word from the manager of the Ely nine that the terms offered for two games are accepted. A couple of weeks ago the Ogden team went to Ely and was defeated twice, and now the Lobsters propose to get even.

Although there are no games officially scheduled among the grade schools league the youngsters will not remain idle if good weather prevails, but will arrange for match games. Every vacant lot will be the scene of warm contests. The athletic season so far as the schools are concerned has closed until fall.

When the bike season closes this year, Floyd McFarland will go to Vallsburg and manage the track there. He has secured a four years' lease on the track. Mac proposes to take a string of riders with him and have something to do in the six-day race at Madison Square Garden.

The following have been added to the list of riders registered by the National Cycling association: Amateur—Both track and road, Emil Kuster, New York city; amateurs, road racing only, Thos. Smith, Newark, N. J., Georgs Jauli, William Weber, Jr., Rahway, N. J.; Frank McDonald, George Henry, William Peterson, Sylvester Peterson, William Fuchs, Ernest Blauzat, Tommy Young, Anthony Bizzarri, G. M. Schlosser, Charles J. Jacob, Henry Van Den Dries, and Maurice Van Den Dries, New York city; Henry Surman, Elizabeth, N. J.; and Samuel Rein, Brooklyn.

The Eagles will have a number of athletic contests at the Salt Palace on Wednesday afternoon. The occasion will be their seventh annual outing and after the parade the events will take place. In the afternoon there will be a special motorcycle race, open to all, and the distance will be five miles. There will be a tug-of-war, a 50 and a 100-yard dash.

PROTEST AGAINST "SPORT."

Two Citizens Ask Humane Officer to Stop Egg-Throwing Pastime.

There are two citizens of Salt Lake who seem to be very much aroused over what they term an inhuman game which is being permitted to run at one of the resorts of the city. The game referred to is where a negro is hired to put his head through a hole in a canvas and permit the public to fire eggs at him at so much per throw, the prizes for hitting him being cigars. Several days ago it is claimed that a boy threw a rock at him instead of an egg and hit him in the eye nearly blinding him.

Two citizens have written letters to Humane Officer Herringer protesting against this game for the reason that it is indecent and inhuman and might, as in the instance mentioned, prove very cruel. They ask that an ordinance be passed prohibiting such a game.

Lost Vigor Restored

We treat MEN only and our experience in the past assures our patients straightforward and satisfactory treatment for the future. Many a MAN has lost his grip through brooding over his condition because he imagines he cannot be cured. To such we say investigate our methods of treatment and place yourself under our care and your weakness will disappear and confidence will be restored for the future. Our treatment has proved to be the best yet devised for restoring LOST VIGOR and that physical and mental incapacity which has made a wreck of so many. Our treatment for NERVOUS DEBILITY does not stimulate temporarily but permanently. It stops every drain of VIGOR and builds up the muscular and nervous system—revives the spirits—brightens the intellect and above all restores the WASTED POWERS. Sometimes organic weakness and LOSS OF VITALITY arises from VARICOCELE and STRICTURE in such case we have to get rid of the cause before we can obtain good effects. Too often these causes are overlooked and so in spite of any and every treatment the case does not progress and the patient often goes into physical and mental decline through want of success in curing his LOST VIGOR.

We take no cases we cannot benefit or cure so you run no risks.
