Word from Beaver county is that in a group of claims at the northern end of the Bradshaw range, which are be-ing developed by Walter Moody, a body of good ore has been encountered at a depth of 80 feet. The vein has been cut for 15 feet and the opposite well has not been found. It is a good grade of copper. 20 5 9-16 7 3-16 834 4 15-16 8

According to a man who recently re-turned from Beaver county the Moscow mine is turning out to be one of the greatest producers in that country. At greatest producers in that country. At present it is shipping eight and 10 cars of ore a month which bring from \$1,200 to \$1,600 a car. Shipping from this dis-trict was started about two years ago and at that time cars only brought from \$400 to \$500.

The Boston-Sunshine Gold Mining The Boston-Sunshine Gold Mining company of Mercur has posted its sec-ond dividend this year of 2 cents. This makes the dividends paid by this prop-erty \$7,500 thus far this year. The mill is handling 150 tons of ore a day and is one of the finest little plants in the country. The property was pur-chased a little over a year ago by George H. Dern on a sheriff's sale.

CHICAGO. Chicago, Aug. 17.-Declines of ½ to 1d. in the price of wheat at Liverpool prompted considerable selling of wheat at the opening of the market here today, resulting in initial losses of ½ to ½ An easier tone in the corn market also had a depressing effect carjy in the day. Weather conditions in the northwest were still generally favorable for har-vesting and threshing. The September delivery opened at 95% to ½ and Dec at 5% to 15. After touch-ing 99% the price of the September op-tion eased off again to 53% 42%. Decem-ber rose to 56% but declined again to 56%. Reports of rain in parts of Nebraska and Iowa checked the upward trend of corp prices. The September delivery opened unchanged to ½ lower at 66 to 65% and sold off to 55%. Dats were steady, a good demand for the cash grain having a strengthening influence. September <u>opened</u> at 95% and then rallied again to 35%. Provisions were firm on a 5c. advance in live hogs. Prices at the start were unchanged to 5. higher.
