TO THE MUSICALLY INCLINED,  
And to those desirous of  
Learning Music!

Mrs. WHITE, of Rochester

TEACHES Robbins' American Method for the Piano-forte, which is so far superior to the old method of teaching the Piano-forte, Melodeon or Organ that its full importance can scarcely be estimated. It is a century ahead of all other methods for the Piano—Pupils acquiring a knowledge of Music in an almost incredible short time.

References to and letters of recommendations from the most eminent Professors of Music in the East.

Mrs. WHITE is stopping at the TOWNSEND HOUSE for a limited time, where she can be found, and full particulars learned. Private tuition given.

JUST RECEIVED FROM ENGLAND.  
A Splendid Sample Assortment of Sunday School REWARD CARDS, MOTTOES, &c. Cheaper than anything of the kind ever offered in this Territory.

Sunday and Day School Teachers and Superintendents are invited to call and examine them at  
SAVAGE & OTTINGER'S.

Orders received from \$1 to any amount.

IMPORTANT TO SKATERS.—As the skating season is now at hand, the following, from Hall's Journal of Health, may serve our friends who indulge in this healthful recreation no small amount of discomfort.

Before starting for the ice, bathe your feet in cold water, dry them perfectly and give them a good rubbing with a crash towel, put on a pair of woolen or heavy cotton stockings, and your feet will remain comfortably warm for three or four hours in the coldest weather.

A couple recently waited on a clergyman in Newburyport to be married, for whose services the bridegroom gave him a counterfeit bill, and then he stole the gentleman's umbrella as he passed out through the hall.
