## THE SHOOTING AND THE CON-SPIRACY.

THE SHOOTING affair of Saturday night outinnes to engage public alleation. The interest naturally created by the ted is enhanced by the contradictory recounts of the circumstances attending it, and by the course pursued in relation to the accused. The story told by Collin is evidently colored for the purpose of excusing himself for attenuating to kill young Mc Murrin. The statement made by the wounded man datly contradicts that of the doputy and was formally given when he and no doubt that he was dying. The merder.

public will scan the deputy's explana-It is easy to understand who the tion with a good deal of suspicion, for "brave soldier" is that is wanted for the reason that we have named, and 'military governor," backed with force tweanse of the character of the Endienough to give him power to feather visical, the dirty work in which as has losen on sized, and the fact that he was rich his cronies with a share of the likely to consider himself free to do desperate work from the source pursued here to protect his hind from the operations of the law. While the escort for the murderous Coloung man now at the door of lin, under the false pretense that his well known to be worthy and reliable, his statement under any circumstances would be received before the other's oath, and a dying de- rect information. And the President | We have never maintained that it mofions who had no personal of the United States can soon learn would. cause to conceal anything is entialed to Ethat the only excitement that exists greater credence than the improbable over the shooting of a "Mormon" by story told by the culprit for the pur- a U.S. deputy marshal is in talk, dis- sins are not legislated against in the pose of cheating himself of a capital crime affair and a feeling of deep indignation

it is to be fervently, hoped that the that the course of justice should be uply wounds inflicted, by the murderous collin will not prove fatal. Not only on the rejerce man's account and danger of any outbreak. The city is as that of his facility and friends, but in a truth and justice. A rail explanation of all the facts and annexatives attending this deed are ledged and expected, and these are no likely to be obtained should the wounds prove mortal. A desperate ister purpose

attempt will be made to clear his murdertraulti: course now pursued i is behalf foreshadows, the unscrupuous scheme that will be set on fool Is r that purpose

The story that several other persons few others, that Magshal Ireland acted were with nim when the collision bewisely, prudently, legally and properly tween hun and Collin occurred, is emin shielding Collin, even after an officer phatically denied by Mr. McMurrin. with a warrant from a coart of paris-He albert to his first deposition diction made a demand upon him for colum's must story, as related in the he offender; that he is an officer of The man, is that "dive shots were fired. the law himself, and as such has a two of which took effect in McMurration of the bullet holes were fright to make arrests; that he had a right to shield Collin in the way he found in Collin's coat, but he is not
