Into the agade of the Spaniards. The Sultan of Soeloo escaped to the hills with the remainder of his forces, but nothing is known as to what has be-come of his splendid collection of pearls. The Saltan may have succeed-ed in carrying them off with him, but it is just possible that they were "loot-ad" The Sonniards after totally

ed." The Spanlards, after totally destroying the town, marched back to Tlargi. The North Borneo Herald says

a large number of Chinese refugees from Mainbong have arrived at Sanda-

kan. They have lost little beyond their

CORBA,

A Second letter to the Nagasaki Ex-press of May 11th says: On May 8th the Chinese gunboat, 7sou-Klang, ar-rived at Chemulpo and was followed by the Che-Yuen, Yang-Wei, Chao-Yang and Wei-Yuen on the 10th. Three more Chinese men-of-war are expected to-morrow. Much speculation is rife as to their particular object in coming, but the fact probably is that some dip.

but the fact probably is that some dip-lomatic finersing is going on between the Chinese Minister and the Corgan

authorities, and the fleet are rendez-vousing here to produce an effect fav-orable to the Chinese.

From the interior of the country come continued complaints of Chinese

who travel about armed and squeeze the villagers. The Chinese authorities

the villagers. The Chinese authorities have captured up to the present about thirty of these depredators, all of whom, it is said, were executed at the Chinese Legation. Similar complaints are also being re-peatedly received of outrages along the coast by Chinese pirates, disguised as fishenmen, who, is addition to rob-blag, carry on an extensive lilicit traf-fic, which the customs officers are powerless to prevent.

houses.

ficient to replace the nets, sail, oars,

A rumor is current to the effect that

the Senate will be reorganized shortly,

and all the Senators made peers.

Minister, was to expire in July, 1838,

but the minister has recently received

instructions from the home govern-

ment, ordering him to remain here for

A private correspondent to Der Osta-sintische Lloyd, says that the rebeillon in Hainan is assuming a worse aspect every day. At one moment there was

etc., which were lost.

colored bo y with him who refused to

go in with him in search of the fox, but

young Price entered and discovered a

room of considerable proportions

Sunday morning plast, the matter hav-

log beed discussed about the streets, a

has been discussed about the strees, -party of young men determined to ex-plore the cavern. They found there considerable room within 500 feet go-ing directly westward, but at a point

about 400 feet in they discovered what

they denominate "The Well,,' whence

flows a stream of water. This they fol-

lowed three-fourths of a mile, in the course of which they discovered three

crevices, one about ten inches wide, the other two each about fifteen inches.

The descent from the entrance to the

point explored was estimated to be about 160 fegt. There are several avenues leading off in different direc-tions that were not exp ored. The

Lawrence River near Montreal. There

are no whitefish in the St. Lawrence

The theory is that a small nsh seized

upon the ring and that a small hish setted upon the ring and that at some later time this small fish, while cruising about in the lakes, fell a prey to the whitefish in which the long-lost ring was discovered. The Tolede fishmon-ger received from Mr. Lensox a check

for \$100 as a reward for his honesty.

ROBDED .- "I have been robbed?" exclaimed a man on a western rail-

road train, springing to his feet and swipping his arms in a wild manner.

"Did you get enough?" asked a trav-el-worn passenger, looking up from a

"Get enough !" exclaimed the man

"What do you mean by get enough? I've heen robbed of every cent 1

"I understand that. I merely wanted

to know if you got enough to eat." "What's that got to do with being

robbed?" "I didn't know but you had eaten

dinner at the station back yonder and

that they had taken you in as they had

done me. When I hear a man say that he's been robbed, I can't help thinking

that he's just come from a railroad

A CRAZY NOTION .- Town Toples:

"She's as ugly as a mud wall." "She isn't a beauty, that's true."

"Then what the doose is he going to marry her for?"

"For love, I suppose." "Gad! That is a crasy notion, isn't

eating house."

"Has she got any money?"

"Not a cent."

\$3200 Rustic, 8 rooms, bow window. A choice place. Lot 1x10. Close to town on car line.
\$850 Bries and adobe, 4 rooms, near Brigham street, let 2x10 rods, good water and cheap place.
Pustic Adobe light in the street is the street was the prospect that the victorious Black bigs would aubdue the native tribes; and they actually did subjugate several. But as soon as the Black Flags took possession of the villages the most learful and inhuman persecutions and oppressions began, the consequence of which was that the revoit broke out which was that the revoit broke out

purchase of machinery ordered from England.

The Naval Department will shortly order from France seventeen torpedo boats at a cost of 3,500,000 francs.
