HUNTING AND FISHING OVER. LOUR Duck and Trout Season Came to a Close Enters Largely Last Night. Under the game and fish law, any per-son caught catching trout or shooting ducks from now until the game opens again, will be arrested and will have to pay a pretty stiff price for their fun. Walle there is no likelihood of very much fishing going; on during the winter months, it is a good time for ducks and the various game wardens expect to have their hands full in protecting the birds. For one month from the 15th of February the hunters will be permitted to kill ducks, and on the 15th of June the trout season will open again. Sloan Gets Judgment. Paris, Dec. 14.—The court which has been hearing the arguments in the case of Tod Sloan, the American jockey, against the French Jockey club, for \$40,-000 damages for being warned off the turf in connection with Rose de Mai's winning of the Prix de Diane at Chantilly, in May last, today found in favor of Sloan and condemned the Jockey club to pay the costs, the amount of which will be as-sessed later. The court, while holding that Sloan's complaint was justified, pointed out that he had not showed that the course of the club caused him serious prejudice, and limited the damages to the expense of the action.
