The Great Closing Out Sale

Of this store means great savings to prudent purchasers. Because we want our money to use in another business, we are willing to cut prices to the core. Nothing in our stock has escaped, and there are many articles usually considered too expensive to be afforded that are now so thoroughly price humbled that you cannot afford to let them pass.

Suitable Xmas Offerings.

SILVERWARE—Knives and Forks, Tea, Dessert and Table Spoons, as well as a fine line of Table Cutlery, including some HANDSOME CARVING SETS. We purchased too heavily in this line and that too before we thought of going out of business and so we have a splendid assortment to choose from, pocket knives, razors, shears etc. Shaving brushes and strops, all of them make suitable presents and all are offered at less than cost.

A Steel Range Parlor Mantels For Xmas.

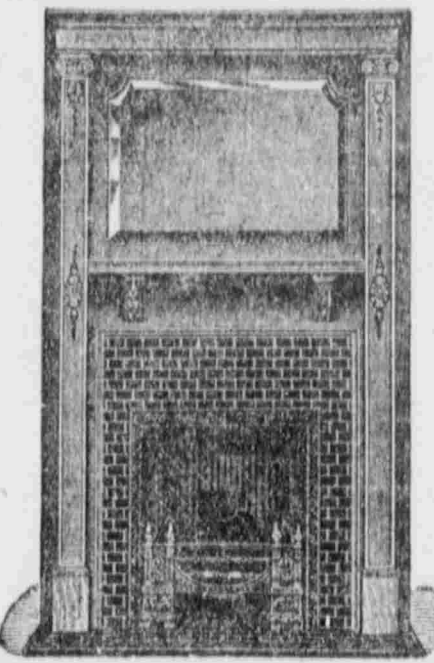

You can easily afford to present your wife with a nice steel range for Christmas at the price ours are going at.

Did we say going? Well that the word for our stock is moving so rapidly there won't be many left by the end of next week.

We can furnish the mantel shown in the illustration, set up complete in your home for—

\$35.00

And in addition we have a fine line of mantels at all prices, and the original prices are cut in half.

Builders' Hardware.

The cost of furnishing hardware of an acceptable kind for a new home is no small expense and when we say we can save you 50 per cent it means a great deal.

Your old home may need a few new locks or a door or something needs replacing and the saving is just as great as on the whole outfit.
