

TO INVESTIGATE HARRIMAN SYSTEM

Interstate Commerce Commission is Said to be Committed To an Inquiry.

LIKE NORTH. SECURITIES CASE

Will be Taken up in Accordance With General Powers and Not on Specific Complaint.

Washington, Nov. 9.—A general investigation of what is known as the Harriman system of railroads under the authority conferred by law is one of the subjects that has been discussed for some time by the interstate commerce commission, and that body, it is said, really stands committed to an inquiry. "We have been informed," a member of the commission said tonight, "that this system in some of its features is not unlike the Northern Securities company, which was dissolved through the interposition of the attorney general of the United States." Any steps which may be taken by the commission along the lines referred to will be, it is said, in accordance with the general powers of the commission conferred by law, and not because of any immediate specific complaints of a violation of the statutes. In January, if time permits, the commission will take up the complaint of the municipality of Spokane against the Northern Pacific, the Great Northern, the Chicago, Burlington & Quincy, the Union Pacific and the Oregon Short Line railroads, involving alleged discrimination in charging a higher rate for a shorter than for a longer haul. This complaint was the first filed with the commission under the amended interstate commerce act. It is regarded as of considerable importance, as its disposition will logically have a bearing on the whole question of transportation in the west from the Canadian border to Mexico and Chicago and St. Louis to the Pacific coast. It is also of importance in connection with the proposed investigation of the Harriman system, whose territory and connecting lines cover a large portion of the west.

DARING ITALIAN ANARCHIST ARRESTED.

Denver, Nov. 9.—Giovanni Bruno, a Sicilian, believed to be one of the most dangerous and daring Italian anarchists, was arrested today at Keene, a small station on the Burlington railroad, 47 miles east of Denver, where he was employed as a section hand. Search had been made for him for five months by agents of the United States immigration commission. He will be returned to Sicily.
