THE latest "boom" in presidential politics seems to be strongly in favor of Blaine. A large number of delegates to the Chicago National Convention are instructed to vote for him, and the avowed intention of others, differently instructed, to pay no attention to the unit rule, squints no attention to the unit rule, squints in the direction of support to the man of Maine. By the term unit rule, is meant the instruction some-times given in the local conven-tions that choose delegates to the tions that choose delegates to the
