Our oldest child, now six years of age, when an infant six months old was attacked ordinary remedies failing, we called our family physician, who attempted to cure it; but it spread with almost incredible ra-pidity, until the lower portion of the hitle follow's person, from the middle of his back down to his knees, was one solid rash, ugly, painful, blotched, and malicious. We had no rest at night, no peace by day. Finally, we were advised to try the Curicura. REMEDIES. The effect was simply mar-vellous. In three or four weeks a complete cure was wrought, leaving the little fel-low's person as white and healthy as though he had never been attacked. In my opinion your valuable remedies saved his life, and to day he is a strong, healthy child, perfectly weil, no repetition of the disease having over accurred. CEO. B. SMITH.
