

CORRESPONDENCE.

CAPTAIN A. O. SMOOT'S COMPANY.
15 Miles west Fort Kearney,
May 29, 1856.

EDITOR DESERET NEWS:
Since leaving Laramie we have made fair progress, and the camp has enjoyed the best of health.

At the crossing of the South Fork we met the first Californian emigration, and since then we have passed trains almost hourly. Yesterday we met about 2000 head of cattle, and every company has a large herd. We have also passed several government trains freighted with corn for General Harney's command.

We have seen no buffalos on the road, and have killed but very little game of any kind. From appearances the emigration on the north side of the Platte far exceeds that on the south.

We have not seen any Indians since we left the vicinity of Fort Laramie.

May 30.—We have found the road to-day literally filled with emigrant trains, so much so as to crowd us much of the time out of the track. The rumor is that the Mormon emigration is tremendous; 5000 are said to be fitting up at Omaha city, and as many more at other points.

GEO. A. SMITH.

By later advices Capt. Smoot and company were at Big Blue on the 4th June.—[ED.]

BUFFALO, April 26, 1856.

ERIE RIOTS RENEWED.—A despatch received from Erie says that a mob destroyed, yesterday, the Constitutional office in that city, in consequence of that paper advocating the railroad interests, and that they threatened to damage the property of the railroad company.

VIOLENT HAIL STORM IN VIRGINIA.—One of the most violent hail storms that ever occurred in Virginia, swept over the county of Lunenburg to Amelia Court House, yesterday. In the woods and some other places it lay upon the ground to the depth of four inches, some of the hailstones being of large size. Leaves were stripped from the trees and fences blown down, but we have heard of no other damage.—[Richmond Whig, May 3.]
