CHARITY BALL GRAND SUCCESS

Market Street Dancing Hall Scene of Dazzling Beauty Last Night.

LEADING PEOPLE TAKE PART.

Costumes Were Most Gorgeous Ever Worn at Social Event in Salt Lake City—Brilliant Concourse.

The scene which transpired last night in the new academy of dancing on Market street must have brought joy to the hearts of the charity ball people. The hall itself is an ideal one for the event, though the hundreds of people present crowded its space to the utmost. A central length filled with dancers, a wall of onlookers beyond and outside these seats crawded with spectators, all in costumes of notable brilliance and elegance made a picture not soon to be forgotten. The grand opening march began after 9 o'clock, and was led by Mayor Bransford with Mrs. Windsor V. Rice and following them came a procession of Salt Lake's best people well pleased to lend the prestige of worth and fashion and beauty to the charitable enterprise. The large hall was conveniently arranged with rugs, chairs and settees, two corners being fitted specially by J. J. Greenwald. A space divided from the hall served as a supper room, and at the east end was the musician's stand, where a picked orchestra rendered delightful music. Everywhere were streamers of red bunting, palms and potted plants, while the supper table was bright with a profusion of flowers donated by the leading florists.

RECEIVING COMMITTEE.

Near the entrance stood the receiving party, Mrs. A. J. Gorham and Miss Howat, president and secretary of the Hospital Aid association, members of the executive committee, comprising Mrs. F. S. Bascom, Mrs. R. S. Tracy, Mrs. Windsor V. Rice and Mrs. Sol Siegel, who were assisted by the chairmen of the various committees; Mrs. W. H. Child, Mrs. George Y. Wallace, Mrs. Edwin Kimball, Mrs. Samuel Paul, Mrs. C. R. Pearsall and Mrs. Grant Smith. Punch was served by Mrs. Grant Smith, assisted by Mrs. F. S. NEGRO ATTEMPTS SUICIDE.

Prisoner in County Jail Slashes His Throat With Glass.

A negro named Peter Boyd, who had been confined in the county jail pending an examination as to his mental condition, came nearly ending his existence in his cell last night, by slashing his throat with pieces of glass. The fellow in some way secured a bottle and this he broke and used the fragments in the attempt at suicide. The warning was given by other prisoners in time for officers to save the man's life.

Boyd was arrested during the day by Officer Clough. The negro was acting in an insane manner and declared that he was being pursued by Mrs. Lizzie Voss, who he said intended to kill him. Mrs. Voss is the widow of H. H. Voss, killed a year ago by A. T. Boy. At the county jail precautions have been taken against Boyd's making another effort at self-destruction.

LINGERING COLD.

Withstood Other Treatment But Quickly Cured by Chamberlain's Cough Remedy.

"Last winter I caught a very severe cold which lingered for weeks," says J. Urquhart, of Zephyr, Ontario. "My cough was very dry and harsh. The local dealer recommended Chamberlain's Cough Remedy and guaranteed it, so I gave it a trial. One small bottle of it cured me. I believe Chamberlain's Cough Remedy to be the best I have ever used." This remedy is for sale by all druggists.

CHOPS THINGS UP.

Lineman Goes On Spree at Alta With Disastrous Results.

E. Ecklund, a lineman for the Independent Telephone company, went on a spree at Alta Monday night and did considerable damage with an ax. Ecklund broke into Charles Graff's saloon, chopping the door from its hinges. He then began smashing up the fixtures and bottled goods. The man acted as though he were crazy. After demolishing about everything in sight he proceeded to Stilwell's general store, broke in the door, scattered flour all over the place, and arming himself with two cans of powder and some fuse, returned to the saloon with the evident intention of blowing up the place.

His Carrie Nation career was checked at this point by the arrival of Deputy Sheriff Al Pautsch, who placed the man under arrest. He is now in the county jail.

GERMAN NAVAL ATTACHE AT PARIS IS RECALLED.

Paris, Nov. 12.—A special dispatch from Wilhelmshaven, Prussia, reporting that Rear Admiral Siegel, the German naval attache here, had been recalled, is printed here as an item of sensational news, presumably in connection with a recent discovery of treason in the French navy and espionage on the part of the agents of a foreign power.

Ensign Charles B. Ullmo of the French navy was arrested at Toulon Oct. 27 on the charge of being a spy. An examination of his effects showed him to have been in possession of many valuable documents, and he afterwards confessed to having abstracted a secret signal book and the naval cipher. An army reserve officer named Burton was afterwards arrested on similar charges.

At Toulon five alleged ringleaders of an association of international spies, which apparently had been carrying on a traffic in military and naval secrets, were arrested and it was understood that warrants have been issued for the apprehension of several others.

The authorities of Toulon yesterday searched the local postoffice and among other things found a telegram apparently sent by Ensign Ullmo to a German agent offering to sell information concerning the defenses of France.

The German embassy later issued a statement confirming the report of the recall of Rear Admiral Siegel, but saying that it was solely due to his appointment to a new post in Germany.

The details will be made by a board. Officers who have already served in the ordnance department will not be required to take an examination, but they are authorized to apply to the adjutant general of the army for detail.

LAST OF THE MOHICANS GOES TO TOWN POORHOUSE

Waterbury, Conn., Nov. 11—Thomas Ford, the last full blooded Mohican Indian, a few days ago became an inmate of the Plainville town farm at his own request.

Dr. Sunrise, a full blooded Oneida Indian, who was in a pitiable condition, was also taken there, but after a few days disappeared suddenly. It has been learned that he is cared for by friends.

Dr. Sunrise is a proud old medicine man, and was one of the powers of the oneida tribe many years ago. In President Lincoln's administration he was the president's special envoy among the Indian tribes throughout the west, where he taught Christianity.

AMERICAN HUMANE SOCIETY CONVENTION.

Boston, Nov. 12.—The thirty-first annual convention of the American Humane society was begun in the First Baptist church here today, and will continue tomorrow and Thursday. While the first two days are given up mainly to consideration of further work in animal protection, child labor, juvenile courts and other matters relating to children will be given a thorough hearing and discussion in Thursday's meeting.

Several papers read at the morning's session were brief, with a general discussion of the subjects brought up. The speakers and their subjects were:

Clarence M. Abbot, special commissioner, "Neglect of Range Stocks in the Northwest."

Mrs. Minnie Madden Fiske of New York, "The Blackest Stain on Our Civilization."

James M. Smith, general agent of the Rhode Island society, "Stock Transportation Abuses and How to Avoid Them."

Rev. George H. Scott, Chicago, "Transportation of Poultry."

Prof. Guy Richardson, Boston, "The Work of the Massachusetts Society for the Prevention of Cruelty to Animals and the American Humane Education Society."

N. Y. MOTHERS' CLUB.

Mrs. Theodore Roosevelt Becomes Member of State Assembly.

New York, Nov. 12.—It was announced at a meeting of the New York City Mothers' club that Mrs. Theodore Roosevelt had become a member of the New York state assembly of mothers. A letter was read from Mrs. Roosevelt's private secretary, Miss Hagner, which in brief expressed the pleasure of the president's wife in making the announcement.

The Roosevelt family is well represented in this organization of American mothers, for the president himself is a member, Mrs. Roosevelt has made his Indiana speak in their native tongue—the Ute language—and Mr. Churchill speaks entirely in that tongue.

HENZE COUNTERFEITED TO GET MONEY FOR AIRSHIP.

New York, Nov. 12.—Herman Henze, who was arrested at a cabin in the Ramapo mountains, where he was engaged in counterfeiting half dollars, admitted to the secret service officers who captured him that he was a counterfeiter, showed them with some pride the dies and machinery he had made, and gave a rather remarkable explanation of why he had embarked on a counterfeiter's career.

He was a graduate of the class of 1903 of the Stevens institute of technology, Hoboken, N. J., and while there had become interested in the building of an airship which he has perfected, and which is to solve the problem of aerial navigation. He had turned his hand to counterfeiting, Henze said, only after every other means of financing his invention had failed him, and without any special preparation for the work of engraving and casting Henze's coins, made from Mexican silver pieces, contained the substantial amount of the precious metal and could not have been known for counterfeits from the outset. This fact, Henze asserted relieves him of any moral wrong, although he admits he knew it was illegal. His profits on each coin
