DEATH CLAIMS BISHOP E. W. WADE

Prominent and Respected Citizen Succumbs to Long Illness from Diabetes.

BLIND JUSTICE IN CITY COURT

Thanksgiving Services—Confidence Trick Again—Jury Acquits Terry—Weddings—News Briefs.

Ogden, Nov. 26.—After suffering for more than 11 years with diabetes, Edward W. Wade, manager of the Utah Light & Power company at Ogden, died yesterday morning at his residence at 62 Twenty-fourth street. The deceased, who has been confined to his bed for the past nine weeks, was conscious until the end came.

Bishop Wade was born in Salt Lake City, Oct. 28, 1849. At the age of 7 years his parents moved to Weber county and located in what is now Pleasant View district. There he resided until he moved into Ogden City, because his duties as manager of the Utah Light & Power company required his presence in the city. In 1875 the deceased was ordained by President Franklin D. Richards as bishop of Pleasant View, in which capacity he served until 1901, when he was sustained as a member of the high council of Weber stake.

Mr. Wade married Miss Julia Ellis of North Ogden, Dec. 30, 1872. His wife died in 1880 and shortly after he married Susanna Ferrin of Ogden, who survives him, together with 17 children and 24 grandchildren.

Mr. Wade has been active in political circles in Weber county for a number of years. He was a man of sterling integrity and his wife and son, James, were always sought. At the time of his death Bishop Wade was a member of the firm of Wade & Graves, architects.

The funeral will be held Sunday afternoon at 2 o'clock at the tabernacle.

BLIND JUSTICE.

It is stated that the friends of A. Christensen, the messenger for the Western Union Telegraph company who was fined \$5 by Judge Murphy in the police court yesterday for riding his bicycle on the sidewalk where the streets were muddy, will intercede with the mayor for the remission of the fine as the payment of the same would work an untold hardship upon Christensen, who is in indigent circumstances. The case is one that has aroused the deepest sympathy of the public. It is very probable that the fine will be remitted or paid by citizens or the company.

The case of the finding of the young white messenger immediately after conviction has not been well resolved in the city, while in another instance the finding of Fair and Fisher, the negro proprietors of the Assembly Club saloon, a notorious dive on lower Twenty-fifth street, has been postponed almost indefinitely since before election. The negroes were found guilty of selling liquor on Sunday as well as running a gambling house on the Sabbath. This is the same saloon at which Douglass, a negro bartender, worked, when he was arrested upon a statutory charge, the complaining witness being a young white girl.

Constipation

Should not be neglected. It leads to more serious troubles. It shows that the important functions of the liver are imperfectly performed. The best medicine to take for it is the mild, gentle and purely vegetable cathartic, Hood's Pills, which act on the liver and bowels, cure biliousness, constipation, morning and sick headache, break up colds, relieve uncomfortable fullness after dinner.

THANKSGIVING SERVICES.

Thanksgiving was unusually quiet in Ogden today. Save for the football game at Glenwood between the Granite and Ogden high school teams, there was very little doing in the city other than the social matinees at the theaters and dancing academies.

At the tabernacle at 11 o'clock special services were held at which the principal speaker was Elder David O. McKay. A nice program was rendered by the tabernacle choir.

At the Baptist church at 10:30 o'clock this morning union services were held participated in by the rectors of the various churches of the city.

CONFIDENCE TRICK AGAIN.

The time honored "draft" game was worked again at the Union depot last evening, the victim being J. E. Holcombe of North Yakima, Wash., who is now holding a bogus draft on which he advanced \$80. While waiting for his train Holcombe was approached by a smooth young man who told him of trouble about his baggage and ticket and as he was going to Washington if Holcombe would advance him \$80 on the ticket which was for \$125 and on a northwestern bank Holcombe is looking for his "friend and fellow passenger."

TERRY ACQUITTED.

The jury in the case of the State of Utah against M. Terry who was charged with mayhem returned a verdict last evening of not guilty. The case was submitted to the jury early last evening and after a short deliberation a verdict of not guilty was returned. The complaining witness was John Cullen of Ogden.

SCHOOL BOARD NOMINEES.

At a primary held in the Third ward, the members of the Republican party have endorsed Asel Farr, the Democratic nominee for the school board from Heber and did not find Mr. Bolin here, he being unable to be reached. Search is now being made for the missing man. Mr. Bolin is said to have a family in Idaho.

JUNCTION CITY BRIEFS.

Presbytery Officers.—At the meeting of the Presbytery of Ogden, the following officers were elected for the next year: Moderator, John E. Carver; clerk and treasurer, W. T. Frank. The committee work assigned to Rev. Carver includes the supervision of the work in Weber, Davis, Morgan and Summit counties.

Back from the East.—Albert Seaworth of the firm of John Seaworth & Sons company has returned from an extensive buying trip in New York, which he reports to be in very fine shape since election.

Storm Damages Telephones.—The two telephone companies of Ogden have during the past two days had large crews of linemen repairing the damage done by Tuesday's storm. In all about 300 wires were down in various parts of the city.

Incriminating Evidence.—John Ward, who, with Frank Gordon, is held on the charge of burglarizing the Corlew home, is believed by the police to have been the burglar who entered the Badcock residence on Monday evening. The finding of various articles on Ward that were taken from the Badcock residence substantiates this theory.

De Groot Estate.—In the estate of Cornelius DeGroot, deceased, a petition for letters of administration was filed yesterday afternoon by William DeGroot, father to the deceased asking that the letters be issued to G. J. S. Abels. The estate is valued at \$299 and consists of real estate.

His wife is a good old soul. As happy as can be. Each night she takes it in Bowl. Hollister's Rock Mountain Tea. Godbe-Pitts Drug Co.

GUNNISON.

TRAGIC DEATH ON RAIL.
Peter C. Christensen Run Over by Locomotive and Killed.

Special Correspondence.
Gunnison, Sanpete Co., Nov. 24.—A shocking accident occurred at the D. & R. G. station here this morning,

when an old gentleman Peter C. Christensen, who carries the mail to Mayfield, was run over and killed by the north bound train. The train reached this station about 11:30 and the old gentleman was on hand to receive the mail. Just as the train arrived he stepped across the track to get a drink of water. Through some cause he slipped and fell back on to the track just as the engine came up, which struck him on the head and ran over one leg, severing the leg completely. He was dead within 15 minutes, and probably never realized what happened.

Some six or seven years ago Mr. Christensen had an encounter with a young man named Anderson, who attacked and shot the mail carrier and a lady passenger, then committed suicide. The young lady recovered but Mr. Christensen lost an arm through the affray. The old gentleman has relating this incident a few minutes before he met his death.

Deceased was a prominent and highly esteemed resident of this county and is survived by a large family. One of his sons, N. C. Christensen is bishop of Sterling and formerly a representative in the state legislature, another son, Hyrum, is bishop of Mayfield.

He has not yet arrived, and yesterday when the auditor, Mr. G. F. Seranton, came down from Heber and did not find Mr. Bolin here, he left a message to be reaching search is now being made for the missing man. Mr. Bolin is said to have a family in Idaho.

INJURY TO A CHILD.

Alvin, the 5-year-old son of Mr. and Mrs. Wm. Boyden, met with a severe accident yesterday. He was carrying an opened pocket knife with a sharp blade out of the house. On reaching the yard, the boy fell and the blade entered his left breast, penetrating several inches. Considerable blood was lost before the doctor arrived, but the little patient is now doing well.

Special Correspondence.
Layton, Davis Co., Nov. 23.—G. W. Adams was poisoned by swallowing a water bug in drinking from a mountain stream; he was on his way to Salt Lake City when he first felt the effect of the poison; distressing pains and vomiting grew rapidly when he reached the office of Dr. Bolder, he was in a serious condition, but was soon relieved of the vermin, and soon recovered.

Richfield, Sevier Co., Nov. 20.—There is a fair prospect of Richfield owning her own electric light and power plant. At a mass meeting called by the city

council a few days ago the project was discussed and a vote taken favoring the proposition of preparing bonds and calling an election authorizing the city council to finance the project at a cost of approximately \$30,000.

There seems to be some chance for opposition as Mr. Thomas Brown and his associates already have a plant installed here at a cost of about \$40,000. It is believed, however, that satisfactory arrangements can be made for the taking over of all the serviceable property of the latter company so that there will not be any great loss to the investors.

Richfield Third ward Primary association was organized this week for the first time with Dora Ogden as president, and Carrie Bulow and Sarah Rust as counselors. Emma Keyhl was chosen secretary.

Mrs. Mary C. Bean of this city starts in a few days to join her husband Charles L. Bean in the Northern States mission. Elder Bean is located at Joliet, Ill., and has been absent one year. The officers of the Third ward Y. L. M. I. A. gave Mrs. Bean a nice reception and presented her with a nice little purse to help her on her journey.

A delightful farewell social was given in Richfield First ward last evening in honor of Elder Eugene Poulsen, who starts on the 23rd inst. on a mission to the Northern States. A good substantial purse was collected and presented to Elder Poulsen to help him on his journey.

Maughan of this place took his little daughter, Marie, 11 years old to Los Angeles, hoping that the change of climate would improve her health, as she had been suffering for some 10 months with heart trouble. VINA, CAL.

DEATH OF SAMUEL A. WILCOX.
Special Correspondence.

Vina, Cal., Nov. 18.—On the 28th of October, the little colony of Mormons located near Vina, Cal., suffered a severe loss in the death of Elder Samuel A. Wilcox, one of the founders of the colony and one of its strongest supporters.

Samuel Allen Wilcox was born in Fremont county, Iowa, March 9, 1850, of parents belonging to the Church, and he has been active and energetic man both in temporal and spiritual matters. He crossed the plains in Captain Cannon's company in 1861, and settled in Cedar Fort, Utah, January 28, 1871. He married Julia Lauchlin, and from this union there are four sons and six daughters, nine of whom, together with his wife, survive him. In 1875, he with his family moved to Dingle, Bear Lake county, where he resided as bishop from 1879 till 1885, moving from there to Layman, Fremont county, Idaho, and was again called to reside as bishop from 1887 till 1898, resigning his position to move to Rexburg in the spring of 1899, he was then a member of the high council of the Fremont stake, and served in that capacity until 1902, when he moved to Canada, with his family, making his home in Raymond, O. of the organization of the Taylor stake in 1904, he was chosen as a member of the high council of that stake.

In 1907, he removed from Canada to Vina, and was unanimously sustained as presiding officer until the branch was organized, when he was honorably released and his eldest son was called to the position of presiding elder. Mr. Wilcox's life has been one filled with energy and activity. Early in life he manifested those sterling qualities of manhood that have made him one of God's noblemen, and he leaves behind him a family and a record which are a source and satisfaction to those who are bereft of his love and society.

Funeral services were held in the Vina church, Sunday, Nov. 19, 1908, presided over by President Billings of the San Francisco conference, the speakers being Elders C. Southworth, George Cole, and C. L. French, all of whom spoke words of comfort to the family and friends of the deceased, and bore testimony to his nobility of character and his faithfulness in the discharge of all labors and duties assigned him.

Too much cannot be said in favor of the good people of Vina, who not only offered the use of their church in which to hold services, but furnished flowers in profusion, and assisted in every way possible to alleviate the sorrows of the bereaved family.
