Whether Are We Waiting? - Claim

Editor Deseret News.

The above question suggested

itself to your Correspondent on its

being rumored in this locality that

two young men, raised in this

community, had sought to obtain,

jumped, or whatever you may call

it, the land claim of some of our

oldest, best, most peaceful and

law-abiding citizens. The particular

cases are that the claim in question

is known as Wm. Jones' Home-

stead, Esq., No. 31, being the N.W.

of section 15, T. S. north range, 1

West of meridian, which entry

was made by the said Jones, so far

as your Correspondent is informed

in this regard, about 1840, at which

time he was a boy of about 12 years

old. Jones' claim was located in

the general land office at Wash-

ington for cancellation.
