DOINGS AT WASHINGTON.

WASHINGTON, March 20,-Th Washington, March 20 the Senale Committee on Commerce has ordered a favorable report upon the bill to establish life, saving, sin-thems near the mouth of the logge fiver, Port Oxford, and Cocs Bay, Orecon.

river, Fort Onford, and Coss Hay, Oregon.
Sucretary Proctor today transmitted to the House a repet from Colonel Comstock, pessions of the Mississippi River Commission in regard to the fleods on that river. He says that he has all the money nearled unless an additional rise occurs. He says the river is higher than ever before known and any turnber rise would cause widespread diameter. So far there is little danger to life.

THE COMPTROLLER OF CURRENCY

IN THE SECOND BENCHIEF
Indicates the Euperor thanks Idenorals, as a
military leader, for invaluable serviews in the army during the time of
Withelm I, and to the present dey,
adding that he knows he will be
at one with the army by retaining
appointing him Beld Mandau Gozcrell and Colone-Hennell of cavalry.
The recripts abound in affectionate expressions of regard, and conclude: "Hold bless you, my dear
Prince, and grant you many untroubled years of old age, trigiteesed
by the consciousness of dury truly
fulfilled."

JULES SPROS.

had a long talk today with Emper Withelm. At the close of the last Withelm. At the close of the in-viole the Emperer presented bit with the erder decoration of the in-tention of the course of cause lags the French course of cause the subject of the naturalization. Abase-Lorraine, and the Emp-said it was never to early to die a question that concerned friendly relations of Germany France.

Secretary Proctor has bessed at the process of the commanding efficients of the straig that the secretary proctor has bessed at post where to the straig that the secretary recommendation of the secretary process at post where a general cost of the commanding efficients at post where a general cost of the command as counsed to define a state of may place the secretary and the Empense of the command as counsed to define a small selection of the command as counsed to define a small selection for a small selection of the appointing authority for action.

The republican members of the selection all sides to change the design and the bariff eiths. As a result the semplacian of the measures is changed, and it is now stated that the straight of the bariff eiths. As a result in the complaction of the measures is changed, and it is now stated that the state of two feet an hour. All matter the second of the se
