THE EVENING NEWS.

NOT AT ALL LIKE HER.

Two little monkeys were swinging one day
In the top of a cocoanut tree.
Said one little M. to the other, "Ahem!
You don't look at all like me—
Not at all, not at all like me.

"My nose is turned up much higher than yours,
And my eyes they are wondrously small,
My fingers are longer, my tail it is stronger,—
Oh, no! you're not like me at all,—
Don't frown; but, indeed, not at all.

"You needn't be mad, it isn't my fault
That so strongly I favor my ma:
She'd a sweet monkey face, and was belle of this place
Before she married my pa—
Yes, and after she married my pa."

Not a word said her friend, but she threw out her arm,
With a look of deep indignation,
And she whacked the "belle" till she tottered and fell,
And that ended the conversation—
Quite ended the conversation.

The Beecher Investigation.

WHO THE INVESTIGATING COMMITTEE ARE.

Henry W. Sage is a deacon of the church and a trustee of the society. He has given $10,000 to found the "Lyman Beecher Lectureship on Preaching" in Yale College, $300,000 to found the "Sage College for Women" in Cornell University, $40,000 toward the building of a church in Ithaca, N. Y., his former home, and is in constant exercise of generous private charities.

Augustus Storrs, of the commission house of Storrs Brothers, is a member of the Plymouth Church Board of Trustees, Treasurer of the society; a man of kind, charitable disposition, clear sense, and consistent Christian character.

Henry M. Cleveland was formerly a Connecticut man; and a few years since was a member of the State Board of Education. He has been a member of Plymouth Church fourteen years, is a member of the Examining Committee, and is known as a keen sighted, genial, honorable man. In business he is a member of the large paper house of H. C. Hulbert & Co.

Horace B. Claflin, one of the trustees of the society (and, with the exception of its president, James Freeland, the oldest member of that board in service), has always been known as one of the foremost men in the affairs of the society.

John Winslow is the District Attorney for King's county, appointed by Gov. Dix, and is a member of the law firm of Winslow & Van Cott, in Brooklyn. His partner, Judge Van Cott, is a leading member of the Church of the Pilgrims (Dr. R. S. Storrs), and was a member of the special committee which called the late Congregational Council.

S. V. White, the church treasurer, is prominently active in all the Plymouth Church and Sunday school work. He is a banker and broker in New York.—*New York Herald.*

A Lumber Combination.

CONSOLIDATION OF THE TRUCKEE LUMBER COMPANIES.

The Sierra Nevada Lumber Association has recently filed articles of incorporation in the office of the Secretary of State, at Sacramento. All of the owners of lumber mills on the Truckee river and its branches (except one) are represented in this association. We understand it is not the design of this combination of the lumber interests of this section to raise the price of lumber. One of the principal objects is to have a uniform price. Heretofore each mill has had to send out its separate agent to Salt Lake and other remote places, at heavy expense, to make lumber contracts. In this one item each mill would spend perhaps $1,000 or $1,500 per annum for traveling expenses, amounting in the aggregate to from $10,000 to $15,000. A considerable portion of this extra expense can be saved by the consolidation which has been effected, without increasing the price of lumber. It will benefit contractors and lumber dealers from abroad. They will not be compelled to travel around to each and every mill to see where the dry lumber is that they want. Now they will only have to apply to the officers of the association to obtain at once the information they desire. A detailed statement will be kept by the association of the amount and kind of lumber on hand at each mill, and the length of time it has been sawed. There is no doubt but that if the association perfects its organization, and carries out its plans as they have been foreshadowed, the results that follow will be beneficial not only to the mill owners, but to this entire community.—*Truckee Republican, July 18.*

Records! Records!

WE ARE NOW PREPARED *to receive orders for BRANCH and WARD RECORDS, of a new and improved form, which has been approved by the presiding Bishopric and others.*

We shall make them of four, five and six quires each, holding 2,040, 2,560 and 3,090 names each, respectively, and the price will be for four quires, $12.00, five quires, $13.00, six quires, $15.00. Each book will contain a suitable Index, and be well ound in Cloth and Russia Leather, with ornamental lettering pieces for name of the Ward on the side. The book being of a large size, we do not think it advisable to make them over six quires.

Specimens can be seen at the Office, and orders received for size of book required.

Bishops in the Country desiring Records can order by mail, and we will me'e accordingly and forward to them.

No greater evidence of superiority can possibly be submitted. Comments of the Manufacturers can add nothing thereto.

A. C. BROWN,
Brakesman U. S. R. R."

"The Watch I bought of you last year has proved to be the best article I ever had, having had it twice in the water, once at the depth of six feet, besides a great many other hardships, and stands all with perfect ease, being always right to time.

JOHN SANDS, Camp Douglas."
