Water Franchise Considered by City Fathers—Some of Its Provisions.

## AFFAIRS OF WEBER COUNTY.

Web Construction Company Sued for Breach of Contract—Some of Its Provisions.

Ogden, Utah, Aug. 28.—At the session of the city council last night the new franchise proposed for the Ogden Waterworks company was submitted by the law committee and an effort was made to pass it under suspension of the rules. This failed, however, because of the opposition of the councilmen Craig and Cunningham (both voting no). Councilman Davidson, Palmer, Myers and Bennett were absent.

The proposed franchise is to run for 25 years. It provides that water shall be given to the city free of charge for all public buildings, drinking fountains, sprinkling, fire hydrants, and for the use of the city in the future. The franchise also provides that the city shall have the right to purchase the waterworks at any time, and that the city shall have the right to operate the waterworks at any time. The franchise also provides that the city shall have the right to operate the waterworks at any time.

## WEBER COUNTY AFFAIRS.

Roads and Highways Receive Attention of Commissioners.

The county commissioners disposed of only routine business at their regular meeting yesterday. An application was received from the Utah Independent Telephone company asking for the privilege of extending its line from Riverdale to the city. The commissioners decided to refer the matter to the city council.

William Stewart of Warren appeared before the board to ask that the road in that district between the Warren bridge and the railroad track be put in proper condition, as the Southern Pacific has expressed a desire to put in a switch to assist the farmers in the transportation of their sugar beets to the factory. Referred to Commissioner Davidson.

E. J. McGill of North Ogden was before the board in the interest of securing the permission for the Ogden & Northwestern railway company to construct a spur from its main line at South Ogden to David Francis place for the accommodation of the farmers. The matter was referred to Commissioner Davidson.

## CACHE OF STOLEN PROPERTY.

A Springfield man by the name of Gannell was in the city yesterday and discovered a cache of money, watches, field glasses, opera glasses, etc., which were taken from Spanish Fork several weeks ago. The goods were stolen from Spanish Fork by burglars. John Hosmer was shot at Springfield while burglarizing Kelly's drug store. The day after Hosmer's arrest Frank Zimmerman called "Rusty" and Frank Hosmer was arrested. The goods were found by Zimmerman. Sheriff Harmon has always believed that the three men were connected with the Springfield burglary. Hosmer and Zimmerman were interested in the Springfield burglary where Hosmer was shot. His theory is corroborated by finding the money, watches, field glasses, and opera glasses in the Springfield burglary. The goods were found by Zimmerman. Sheriff Harmon has always believed that the three men were connected with the Springfield burglary.

## EDUCATIONAL LECTURE.

Will reorganize brass band—Reels a Failure—After Waterworks System.

Special Correspondence.

Elsinore, Nev., Aug. 24.—Prof. Hickman delivered a very interesting lecture on education Thursday evening to a big house. Little Miss Hyde, daughter of George Hyde, favored the audience with a violin solo.

There was a light rain Thursday. Best Inspector Gould reports three-fourths of the beans of Mesquite and Elsinore are a failure.

Arrangements are being made to reorganize a band. A number of the old instruments, owned by the town, have been purchased for \$100. The town council has promised to appropriate \$200 to \$300 to help the proposition, so it is a sure go.

Elsinore and Marlow are trying to join hands on a water system. It is to be hoped the move will receive the approval of every good citizen.
