### THANKSGIVING DAT.

THANKSGIVING DAT.

A year ago Utah shearved Thankgiving Day in the propert of early
statahord, and this percent of early
statahord, and this percent of early
it as coing the first never the observer
is as coing the first never the observer
is as coing the first never the state of the
kind to thus of states.

In the district the property of the ready
tenselise of the property of the ready
tenselise of the property of the property
that the avoidance of userious life
is itself causes for gratitude
for the preserving power of Omneytensely while there has been so much
of peace and a prientified at binsatings
that there are none who makend find
good resson for returning themse trine
the people here; have shared in the
Common benefits to the nation, in the
peace that easily might have been brian
is at the west tiplement, and in the
one them the property of the

The people here have shared in the commune benefit to the nation, in the peace that easily night have been braken in the opportunities for war were it not fer wise diplomacy, and in the meants of general preparity which does exist and which promises still further believement. Leasily speaking, all the good the antion has enloyed to fast in this State is an increased degree. There is sufficient food, and nichting, and sheller, is give constitute all; and while there are a low who are seedly there are also generate here in the seed of the consession of the control of the

WOXEN ON SCHOOL ROADIS.

The people of Worsenter, Mass, have had one pertunes with women to school beard one pertunes with women to school beard. There a return we had so the pertunes with women to characteristic that the year there is demand for women members, and the clivic clans, a reform organization is the city, presented the names of five women to a cancus, and four were chasen and placed on the ticket to be violed for sext menth, and which will have no affective opposition. The re-said will have four women to halp in the stated management—and this as result of the public demand after a result of the public demand after a result of the public demand after a result of the public demand state a result of the public demand state a result of the public demand after a result of the public demand state a result of the public demand after a result of the public and we had to the saint and the results of th

### WHY HE DOES IT.

WHI HE DOES IT,

"Men love darkness rather than
light, beamse their deeds are evi,"
tought the humble Nearcess who
cans is saith to save manifed by the
fullness of His graces and trath, incomont as sait to save manifed by the
fullness of His graces and trath, incomont as the save manifed by the
in little station have
to used the consequences, as He caumat save them in their statio, so more
han it could do no mightly wint to a
sexial place in Juddes, "meccase
of their anticlet." As far men
was proless the issue of Christic tutjudge, the Swinchaves an dualit as is
the judgement He will pass our little
tops, for His sermon on the mount
dealers in planess that thas who

"Depart from me, ye that work inquily."

When, therefere, people where a
person who professe to be a followed
at Christ, and who shows followed
at Christ, and who the almost
green to the profession at the protermine the showing forth works
at individual making the same pretession that showing forth works
at the showing forth works
and their shows open turning the community
and others have open turnity to pasaipun one Rey, M. F. Chay of this
only. Mr. Chry is paster of what
is known as the Contras Christian
course here, and how far he
is werting and how far he
is werting and how far he
is werting and how far he
is weiting a confidence and respectuay be scortained from his conduct.
It has been writing to the Caristian
shaudard, published at Christianity, is
admirtured, the ordinance, and its
restoration of primitive Christianity,
is dedictives, the ordinance, and intendity recognized by people
bers, Moranon and noe-Moranotmonte segarding Bair Lake City. In
this latter he table of come anti- Moranoliferature (fact is being prepared for
destribution, and age of Morano of familier:

The shiftereo born and possed to those.

destribution, and ways of Barcon's families:

The children born and existed in them can have no high those of virtue. Then, have no high those of virtue. Then, have no high those of virtue. Then, have not high those of virtue. Then, have not sampled to tive winnedly. We are seeing the fruit of the hear in the harmonic tendency of the hear in the harmonic families. But the highest the first harmonic families had been as the harmonic families. Many of those gittle were furred his only of these gittle were furred his only of these gittle were furred his only of the his of days, and produces when fritt as this? Those who know the real condition have will find just one writ to characteristic in the proper form has attachment of Mr. Clay as the great condition of the strip with the state of the strip with the strip of the his of the strip with the strip of the his of the strip with the conclusion that its reason of his affection for falselings is the seminating the fair name of an honcest, industrious within the religious promotently, and not beareas, finds its free play in his sessation upon the search of the week of the work of the search of th

### PAID UP ITS TAXES.

The city of Lent, Usah county, is in a fix that many a property owner else-where in the Hats would like to find timed? in. Here is what the less lesse of the Ranner says:

issuable of the seage less industry. There is not colly its the Vest that is design states. There is not colly its the Vest that is design states. If there is any other place of its wathard base done so well as Lich, it should be heard Jrom. As matters now appear, the engar factory town it wall alread, and the tensor Berrier is paint. It has a besse industry large enough to actend its rithment to every transit of business. And whether it was one institution or a doesn which achieved the same end, would make the difference. Will this lithestration bring others to see the bearing others to see the bearing others to see the bearing of the distinguished the property of the distinguished the property of definitions on the content of the distinguished the property of the proper

On this latereding subject the Lo-on Ejectator has the following:

It is said that a few usys ago the first clock made in America was said at auction, bringing \$1,000. The clock was made by \$10. Terry, said to have been the first clocamater in this country, and the nue who made the purchase was E. Clinian Terry, all Haritand, Curn, greet granden of \$10. The shock is said to be a very handsome furnity-learn statements.

Bronchille. Sole by Z. C. M. L. drug clare.

Railard's flows Liminosis.
