Replies to Parry's Address Before Manufacturers' Convention - Says Some of His Statements Untrue.

Columbus, O., April 21.-Senator Hanna was tonight the guest of honor it a banquet tendered the delegates to sick women. the convention of the Amalgamated issociation of iron, steel and tin vorkers that is now holding its wenty-eighth annual session here. He vorkers that twenty-eighth annual session here. He was invited as the chairman of the Civic Federation to speak about the National Civic federation and its work, ness. ut he took occasion also to reply the recent annual address at the Orleans convention of President Parry of the American Association of Manufacturers on the relations between organized employers and organized employes: Senator Hanna said:

SENATOR HANNA'S ADDRESS. "I have always felt that when the

time might come that men in the strife and contest of life could be made to see that there is no difference in the brotherhood of men, the beginning of the end

would be in sight." The senator told how he became inter-ested in the work of the Civic Federaion, and continued: From the outset I found those who

are engaged in this work to be earnest, not understand the question. It is statonest and faithful men. Instead of ed thus:

ooking possible or probable failure in

the face, every month and every year has brought good results, which have encouraged those of us who are perming the services, so that today, my friends, I am glad in this presence to be able to say that we art not only encouraged in the work thus far, but en-couraged far beyond our fondest hopes a the outlook for the future.

GOLDEN RULE THEIR MOTTO.

We start with the motto of the goldn rule; our basic principles are foundn power faster than it grew.' "We will see. In controvention of d upon right and justice among men We start from the standpoint of a dethose statements I am able to bear witaccomplish that which would be best for all, employer and the ness to the fact that within the last two years, in connection with this work of the Civic Federation, it has been mploye. We start with a determination that, no matter what the obstacle, no matter what the difficulties that can lemonstrated that this question in the strew our pathway, feeling that we are interest of organized or unorganized la bar has received more thoughtful and right, and with earnest desire to do careful consideration from all classes of that which is right, recognizing the mutual interest which is embodied in the proposition, we are going forward enthe American people than ever before. If I had the time to recount in detail the difficulties that have been overcome couraged at every step we take. I say a mutual interest, because you can not and the advancement that has been made in the settlement of disputies in separate the interests of these two great factors which underlie our develbringing closer together the employer and the employe; if I could state those opment and prosperity, one as necesfacts and ask the gentleman who makes these statements what he had to say in sary as the other, equally important ach to the other. I am glad, brothers reply, furnishing proof, I would fire him at this point the speaker was interrupted by tumultuous applause). out of court. 'I am glad to have this opportunity

to pay tribute to the Amalgamated as-"It is true that today, within my sociation, to have known it intimately since the day of its birth; I am glad to have the opportunity to pay tribute to this old veteran who was its first presiapplause as the speaker placed his hand on the shoulder of ster Bishop), and to those wh

#### Mike Nihall, Barkceper, Kills Mrs. Frieda Baker

San Francisco, April 21,-Mrs. Frieda Baker, wife of a commission clerk, was cliled at noon today by Mike Nihall, i barkeeper. In a fit of jealousy. Nihall then turned his weapon on himself. in-When they are it is generally due to biliousness or indigestion. But women have headaches which seem peculiar to licting a slight wound. Nihall was a former lover of Mrs. Baker, and since her marriage to Baker several months ago has hounded the woman contintheir sex, frequent nervous throbbing headaches. Does it not seem as if such ually. This morning he met Mrs. Ba-ker and her mother walking on the street and accosted them. Mrs. Baker's headaches peculiar to women must be at once related to womanly disease? Women who suffer with diseases peculiar to nother, seeing danger in a meeting, ad the sex do not realize the drain of vital vised her daughter to run, which she did, followed by Nihall, pistol in hand. strength and nerve force they undergo Mrs. Baker entered the saloon of one Fowke, and appealed to the proprietor for protection, but hefore he could be of assistance to the distressed woman. as a consequence of disease. It is this which causes the familiar headaches of

Dr. Pierce's Favorite Prescription Nihall entered, and, throwing his arms around Mrs. Baker, began firing his cures such headaches by curing the cause --- irregularity, weakening drains, inflammation, ulceration or female weakrevolver, several shots entering Mrs. Baker's body, killing her. Fowke "Favorite Prescription" invigorgrabbed a revolver and turned it on Nihall but he did not shoot, as Nihall ates and tones up the entire system, enwas pointing his weapon as his own head. He fired one shot, but the injury courages the appetite, quiets the nerves is not a serious one. He expressed gratification that he had killed the wo-

courages the appetite, quiets the nerves and gives refreshing sleep. "I was troubled with cougestion of the uterus and female weakness for five years," wiles Mrs. Robt. Kerwin, of Albert, Hastings Co., Ont. "Was so weak and nervous I could hardly do any work. Had severe pain in back, also dizzi-ness and pain in head. My heart would beat so hard and fast at times I would have to sit still till I got all right again. But after taking four bottles of Dr. Pierce's Favorite Prescription and one of his 'Goiden Medical Discovery' I felt entirely well. I also used one box of 'Lotion Tableis' and one of 'Suppositories' as directed. All the symptoms of my trouble have disap-peared and I am completely cured. I thank you for your kind advice and your medicine." Dr. Pierce's Pleasant Pellets clear the man. STRIKE LEADER KILLED. Defled Officers and Was Shot to

Death in Consequence.

Charleston, W. Va., April 21.-An other tragedy growing out of the battle between striking miners and deputy United States marshals at Stanaford City last February, took place near that place today, when John Harless, one of the strike leaders, was shot and killed

the strike leaders, was shot and kinder by John Laing, and a man named George, who went with Deputy Mar-shals Cunningham and Summers to ar-rest Harless on a warrant issued by the federal court. When the officers' party approached the house Harless ran out. He was commanded to halt

plies of this vegetable were sent to the knowledge, the men who control the greatest industrial affairs-and I mean post and were turned over to a trading company at a high rate. Although in by that term 'industrial andirs'-and I mean by that term 'industrial affairs'-ev-erything that enters into our indus-trial development, transportation and manufacturing, are satisfied that the efforts being made are as much in their interces are satisfied that, they have the hands of the trading company, the potatoes were carried on the books of the commissary officer as stock in hand until some officer made purchases from the company oes was reduced to meet the credit at interests, are satisfied that they have the company's office and the officers making the purchase would be charged been totally unprejudiced and are ready o co-operatate, ready to give up the with potatoes. All the officers station prejudices of the past and witnessing t Skagway at the time were implicatthe proofs that have come from this ed, though it is stated at the war departeffort, stand ready today to extend their hand of fellowship and join in this movement, and I honestly believe that the majority of that very organization ment that there were different degrees of responsibility. Another Alaska case relates to an alleged shortage in the accounts of an officer. The officer claimed his safe was broken open and tands exactly in that position. "Reading: "The welfare of those who the money stolen. The authorities de-cided on a courtmartial. The names of toll in our factories calls for our most earnest consideration. But what we must protest against is the unwarrant. the officers were not made public at the department. Most of them have changable usurpation of rights and the dis-astrous industrial policy which charac-terizes them in their present associated ed station since the irregularities are said to have occurred. capacity.

that the whole matter was in the hands of the election commissioners. The re-sult of the court's opinion will be that the ballots will be counted, and the courts of Cook county can make no further order in the case. The supreme court ordered the habeas corpus coeffings against Sheriff Barrett of Cook county for the release of the elec-tion commissioners who were cited for contempt of court dismissed.

Chicago to Give Two Years Degree

Chicago, April 22 .- A bachelor's degree for two years' work is to be granted bythe University of Chicago. It is to be called the degree of bachelor of education, and is to be given for two years of strictly professional work in the line of nederoscial promotion the line of pedagogical preparation. Students are to be admitted to this special course for teachers either from the junior colleges to the university or from certain approved high schools.

A BORRIBLE DISCOVERY.

Man Tortured Children to Make Ac-

robats of Them. St. Louis Mo., April 22.—The Humane society has taken two children, George and Florence Mige, aged eight and seven years, from the home of John Earl, on Washington avenue, and Earl is in jail charged with mistreating them. The boy's back is lacerated to his hips, both eyes are blacked and four of his teeth are missing. The little girl is even in worse condition. On the instep of her right foot is a wound caused, it is believed by the application of a glowing poker. Portions of her stocking had been burned into the flesh. Four fresh scars are in her left limb and there is a deep scalp wound in the top of her head. — The Humane society charges that Earl indicad these injuries as punishment be-mouse the ability of the series. robats of Them. the whose

The Humane society charges that Earl initicted these injuries as punishment be-cause the children failed to perform acrobatic feats which he endeavored to teach them. The wound on the little girl's head was caused by her failing from a trapese. Earl and his wife travel as performers with patent medicine shows. Recently they took the children from an orphans' home for adoption, and when one of the officers of the institution called to see how the children were get-ting along the discovery of their con-dition was made.

President to Stay in Butte.

#### Butte, Mont., April 21 .- Through the efforts of the Silver Bow trades and la-bor assembly President Roosevelt has onsented to prolong his stay in Butte to six hours on the occasion of his visit May 27. Mr. Loeb has written to Pres. ident Frank A. Doyle of the assembly and to Chairman Eugene Carroll of the business men's association committee, announcing the acceptance of the invi-

plans. J. J. Jacobs Arraigned.

Chicago, April 22 .-- J. J. Jacobs, man-

ager of the Montana Mining Loan & Investment company, whose offices were recently raided by the police, and W. J. Groskius and J. Gittings, who were employed by Jacobs, were arraigned to. day, Jacobs being held in \$500 bonds. and his employes discharged. Literature of the concern was presented as evidence that Jacobs had been conduct. ing a lottery.

LORIMER . DURBORROW CASE Supreme Court Settles it-Matter is

In Election Commissioners' Hands. Springfield, Ill., April 22 .- The su-

reme court today settled the Lorimer-Durborrow election contest by handing down an opinion in which they hold that the circuit court of Cook county has no jurisdiction in the case, and

ad at his home here, aged 92 years. He was a delegate to the first meeting of the American Anti-Slavery society and from that time to the Civil war was among the most active abolition-ists. As a free soil party man he was nominated for United States senator in

# 1850, but was defeated.

# Senator Mallory Re-elected.

Tallahassee, Fla., April 22 .- Stephen H. Mallory was elected for another term in the United States senate today by the two houses of the legislature in separate session, receiving all the votes in the senate and 64 in the house to one cast for J. M. Toombs.

#### ToPerfect General Staff Organization

Washington, April 22 .- It is the inention of Secy. Root to have the organization of the general staff perfect-ed and ready for business at the time the law goes into effect in August. For hat reason the order detailing officers for the general staff instructed all save those in the Philippines to report at once to Gen. Young, who is to be chief staff, and who will have in hand the details of organizing the body. It is intended that all officers detailed who can be spared from their immediate duties will be relieved, and will go to work at

It is the intention of Secy. Root have different officers who are likely to e assigned to special duties in connection with staff work detailed as spe cial boards, to whom will be referred matters that will naturally come befor hem. It is the intention to have the of neers of the general staff divided into sections, and to take up such questions now as will be referred to them when the law becomes operative. It is not ntended that any of the officers detail d for the general staff shall continue

heir present duties longer than is abs lutely necessary, as it is the desire of Secy. Root that they should at once en-ter upon their staff duties and assist in perfecting the organization so that it will be in working order by Aug. 15.

#### Scientists Off for Mexico.

San Francisco, April 22 .- The schooner Mary Sachs will sail in a few days with a party of scientists for the Revillagigedo islands, off the coast of Mexico. The expedition has been organized by the Academy of Science and members of the party will include scientists of this city and students from the University of California. The ezpedition has, as its principal purpose, the collection of natural history speci-

The Revillagigedo islands are four in number and lie about 250 miles west of Cape San Lucas. The islands have been rarely visited by scientists.

# A Weak Stomach

Indigestion is often caused by overeating. An eminent authority says the harm done thus exceeds that from the excessive use of alcohol. Eat all the good food you want but don't overload the stomach. A weak stomach may refuse to digest what you eat. Then you need a good digestant like Kodol, which digests your food with-out the stomach's aid. This rest and the wholesome tonics Kodol contains soon restore health. Dieting unneces-Kodol quickly relieves the feelsary. ing of fulness and bloating from which some people suffer after meals. Absolutely cures indigestion.

Kodol Nature's Tonic. repared only by E. C. DEWIER& Co., Chicago, Thesi, b dile contains 25 lines the 50c. size.

riot is child's play, the annual contest between the sophomore and freshmen classes of the University of Pennsylvania has been waged in the old Franklin field and the freshmen John Armstrong, a sophomore, is badly injured, perhaps dying, in the uni-versity hospital. He had been lying un-

der a struggling mass of students for 0 minutes. Being unconscious, he was unable to protect himself from the heels of his friends and foes.

A dozen or more students were se-riously enough injured to be taken out of the fight, but Armstrong was the only man who had to go to the hospital.

Three thousand men, women and children looked on and cheered the combatants.

#### A University in Transit.

Chicago, April 2.- A university in transit reached Chicago over the Chicago, Rock Island & Pacific road, was transferred to the Northern track at Sixteenth street and thereupon proceeded to Glen Ellyn for the permanent loca-Four baggage cars and two passen-

ger coaches brought Ruskin university, its equipment, its president, its one professor, and its 69 students from Frenton, Mo., to its new suburban residence.

A summer hotel at Glen Ellyn has been remodeled for university purposes The school to be located there will be the center of the Ruskin university sys-tem of co-operative association a d socialistic institutions established by Walter Vrooman.

President George McArthur Miller and Prof. W. A. Rickenbrodt are the only two members of the faculty who accompany the students.

#### Dietz Coal Mines Shut Down.

Denven, Colo., April 22 .- A special to the News from Sheridan, Wyo., says that both mines of the Sheridan Coal company at Deitz, four miles west o here, are shut down as the result of a strike. About 200 men are out. The niners have only recently become or canized and a demand was made upon Supt. Kennedy that the union be recognized. The demand was made by a committee representing the union and

as several of the members of the com mittee were not in the employ of the company at the time, because of the shut down of the mines in which they were working recently, Mr. Kennedy declined to treat with the committee, No grievance was presented to him. It is rumored that a large amount

money is being expended in Wyoming in organizing the coal miners of this state.

## French Spoliation Claimants.

New York, April 22 .- After four generations of Christophers had fought and walted 60 years or more, for their shar f the spoliation claims award growing out of the desultory naval warfare b ween this country and France in 1801 Mrs. Mary Christopher, a widow, whose home is in Breoklyn and her son Thomas Y. J. Christopher, are assured y their lawyers that they will elve from Washington at least \$17,00

as their share of the award. Their claim is based on the capture n 1801 by the French of the ship Ganges, owned in part by Vermilyia hristopher, a prominent shipowne and merchant in this city.

When France sold Louisiana to the United States, one of the stipulations was that \$3,700,000 of the purchase money was to be set aside to pay the spol-iation claims. The son of Vemilyia Christopher put in a claim for a share of this fund because of the loss of the Ganges, and the fight has des-cended to be rearded who with bis cended to his grandson, who, with hi mother is assured by the lawyers that

they will receive at least \$17,000

Why Some Men Succeed.

MAN'S SUCCESS is largely due to his ability to learn things and to A man s success is largely due to his ability to learn things and to put what he knows into practice. If the ENCYCLOPAEDIA BRIT-ANNICA can give you the living facts about any trade, profession or calling, teach you ironworking, chemistry, engineering, science, philosophy or history-can you afford to go without it ?-especially when you may now get it for a few cents a day? It contains the kind of knowledge that helps men to succeed.

The ENCYCLOPAEDIA BRITANNICA is without a peer. It supplies just the sort of information the busy man needs from day to day. With its 25,000 pages teeming with thought and facts, written by 2,000 of the ablest minds of the world, it represents the highest sum total of human learning and research. That is what critics mean when they call it the one standard Encyclopaedia.

# A College at Home.

In the ENCYCLOPAEDIA BRITANNICA you have

- 1. A corps of teachers of recognized authority,
- 2. A series of special articles on every important subject, many of which have been reprinted as text books for use in schools.
- 2. An outline course of reading which will guide you along private lines of work.
- 4. A mine of general facts always open to you, giving a fund of knowledge unsurpassed by any college curriculum.
- 5. A wise friend to cultivate in your spare moments, or during the long winter evenings.

# And the Price is Special.

By reason of our large advertising contracts, we have been enabled to supply the NEW TWENTIETH CENTURY EDITION of this peerless work at remarkably low terms and direct to customers-giving them the benefit of the middlemen's profit. An enormous number of sets have been thus distributed during the past few months-no less than 252 carloads!-a greater sale than all other encyclopaedias combined.

# Send the Inquiry Coupon Now!

It will bring full particulars and handsome specimen pages without cost. But do not delay. Cut out the Coupon before you lay aside this paper and send it to us.

IF USED PROMPTLY, it will not only entitle you to the Half-Price Offer, but also a special bookcase for holding the books.

# What is Said of It.

"It is without a peer in the whole noble army of encyclopaedics."-LY-MAN ABBOTT, D. D.

"The Encyclopaedia Britannica is king of its tribe,"-PROF. DAVID SWING

"If all other books were destroyed, the Bible excepted, the world would lose but little of its information."-SPURGEON.
