A SAVING OF FIFTY PER CENT.
Aside from its purity and healthfulness, those who use Dr. Price's Cream Baking Powder will save fully fifty per cent, as it requires one-third less powder to make same amount of flour than any other baking powders in the market. Only two teaspoonfuls of Dr. Price's powder to a quart of flour is needed to produce the finest biscuits, cakes, etc. Be certain that Dr. Price's name is on the box, as unprincipled persons obviously find it easier to appropriate the name of the label—steal the name—than to make the powder. Steele & Price are the only manufacturers of Dr. Price's Cream Baking Powder and his true Flavoring Extracts.

BOOKS BASED ON MEXICO.—It is a subject of general interest, among both white and colored people, that no medicine introduced to the American public has ever gained such a popularity and met with so large a sale in all parts of the land, in the same length of time, as Dr. Pierce's Golden Medical Discovery. This cannot be accounted for in any other way than the fact that it has been more extensively advertised than any other medicine, as such is not the case. The correct explanation, we think, is found in the fact that this medicine produces a cure of every kind of bronchitis, throat and lung diseases, is undoubtedly the most perfect and efficient remedy for all kinds of coughs that has ever been introduced to the public, and at the same time possesses the greatest purifying and strengthening properties that medical science has been able to produce, thus rendering it a sovereign remedy, not only in the cure of Consumption, Bronchitis, Hoarseness and Coughs, but also for all diseases of the liver and blood, as scrofulous diseases, blotches, rough skin, pimples, black and whiteheads, etc. It has therefore a wide range of application and usefulness, and it not only gives the most perfect satisfaction to all who use it, but far exceeds the expectations of the most sanguine, thus eliciting the loudest praise, and making permanent friends of every one who uses it. For these reasons it is that there is not perhaps a drugstore in all the vast domain of this country that does not place his customers and supply their wants, that does not keep and sell large quantities of this most valuable medicine.
JESSE, Iowa, May 31st, 1873.
Dr. R. V. Pierce.
DEAR SIR:—We take pleasure in saying that your medicines have sold entirely beyond our expectations. We regard them as the best medicines extant, and hear them spoken of in the highest terms of praise.

THE ROBBERY CASE.—DONOVAN, Johnson and Gladden, the three roughs who robbed Mr. Kirtley of a gold watch and chain, on Thursday went to Union Fort and arrested John Graham, brother of the other, and then to Sandy and arrested R. Huffman, and the two latter were both brought to town and placed in jail.
THE VAN VALKENBURG MURDER.—Three other men have been arrested on a charge of being accessory to the murder of Peter Van Valkenburg. At the conclusion of the case tried before Justice Richards, on Saturday, wherein A. A. Tanner was charged with assaulting George Graham, with intent to do him bodily injury, and in which Tanner was found guilty, the complaining witness, George Graham, was arrested for alleged complicity in the Van Valkenburg affair, and placed in the city jail.
Yesterday constable Hampton went to Union Fort and arrested John Graham, brother of the other, and then to Sandy and arrested R. Huffman, and the two latter were both brought to town and placed in jail.
