Agreements have been made y berely and at the Royal Geographical Bociety, and other notabilities, have gone to rate from Chapenne to Deuver an others at greatly reduced rates.

For marioulars and all information is egard to passage, apply at lichet offices.

Passagers should be carried to escurbisive passage tickets to all Eastern and obsequies.

Advices from Pedro Abants, on the 9th of April, state that Serrano had made proposals for a settlement, which the Carlists had definitively rejected.

BY TELEGRAPH. RESOURCES OF SOUTHERN

NEW YORK, 12.-The steamer Minister Roon, from Bremen, hase

arrived; she reports a very rough passage the whole distance.

The Greece with the passengers of the foundered Europe, is five days over due, and there are no tidings of her.

Indian News.

CHEYENNE, Wy., 12.—The Cheyenne Leader has the following from its correspondent at the Red Cloud enne Leader has the following from its correspondent at the Red Cloud agency, dated April 7th: The commissioners returned from Spotted Tail to-day, having accomplished absolutely nothing, their pow-wowing at the agencies has rather complicated matters between the Indians and the government. The Indians at Spotted Tail refuse absolutely to have their agency removed; they say they are tired of seeing the commissioners, and they have invited the present delegation to leave in language more forcible than polite. It is understood that the commissioners will proceed the resources of our security will be attempted, and that the crafts of industry that the day and they wealth, comfort, intelligence and advancement, will be brought to bear upon the crude gifts of nature that await the crafty hands of industry, which, like the undiscovered Philosopher's Stone will change all to glittering gold, or what is far better, the comforts and enjoyments of intelligent and refined social beings.

To enumerate the great variety of our native resources, would re-

the commissioners will proceed east at once, and ask for a strong military escort, and return within a month and move the agency. The visit of the commissioners has can at any time ascer ain the dateen which their subscription exph. sby referring to the numbers attached to their names on their paper namely 1-6-4 means first day, have noticed that there is a hitch can at any time ascertain the date on which their subscription explicitly referring to the numbers attached to their names on their paper namely 1-6-4 means first day, sixth month, fourth year, or http://www.ls74, ls-12-4 means 15 December, 1874, lec.

Those names having no numbers close thing from the military, and are thing from the military, and are he peace commissioners. Spotted
