HOW TO FIND OUT. Fill a bottle or common glass with your water and let it stand twenty-four hours; a sediment or settling indicates an unhealthy condition of the kidneys. It is the evidence of kidney trouble, and frequent desire to urinate, or pain in the back is also convincing proof that the kidneys and bladder are out of order. What To Do. There is comfort in the knowledge that often expressed that Dr. KILMER'S Swamp-Root, the great kidney remedy, fulfills every wish in curing rheumatism, pain in the back, kidneys, liver, bladder and every part of the urinary passage. It cures inability to hold water and scalding pain in passing it, or bad effects following use of liquor, wine or beer, and overcomes that unpleasant necessity of being compelled to urinate during the day, and to get up many times during the night. The mild and the extraordinary effect of Swamp-Root is soon realized. It stands the highest for its wonderful cures of the most distressing cases. If you need a medicine you should have the best. Sold by druggists in fifty-cent and one-dollar sizes. You may have a sample bottle of Swamp-Root, the great kidney remedy, and a book that tells all about it, both sent absolutely free by mail. THOUSANDS SAW BICYCLE RACES.

Not Seats Enough to Accommodate the Race Fans Last Evening. WAS AN OVERFLOW AFFAIR. Samuelsen and Hopper Formed Combination That Beat Lawson and Bardgett in Tandem Event. There were not enough seats at the saucer track last evening to accommodate the vast throng that scrambled good naturedly into the arena to see the bicycle races, and it was finally found necessary to throw open the gate and let the people onto the grass. It was a delightful evening; a brilliant crowd, good music and a race that attracted favorably with any given season. The feature of the program was probably the tandem race in which a combination between Lawson and Bardgett and Samuelsen and Hopper was formed and a merry fight followed for the money. It went to Samuelsen and Hopper because Lawson hasn't the same sprint on a bicycle built for two as he has on a single wheel. The first heat saw "Sam" and "Hog" take the lead and keep it. Lawson and Bardgett tried to show in the second, but their opponents proved too speedy and when a lap from home started a sprint that won. There was another interesting fight for first money in the two-mile professional event. Hollister and Williams downed Lawson and Samuelsen. The latter tried hard to pull over around but the Provo boys who seemed to have a sudden attack of locomotomaxia and Hollister and his teammate rubbed over the tape winners. The throng of amateur lap races saw a track full of riders who set a merry spin throughout. Riders were all over the track up and down in and out, and the winner in that not a small first heat. Lawson proved the speed of the bunch.

Not Fatal.

No Matter What Doctors Say—We Know That Heart Trouble in Many Cases Can Be Cured. There are seven main features of heart disease, viz: (1) Weakness or Debility; (2) Rheumatism or Neuralgia; (3) Valvular Disorder; (4) Dilation; (5) Enlargement; (6) Fatty Degeneration; (7) Dropsy. Documentary evidence will prove thousands of so-called "neuritis" have been absolutely cured by Dr. Miles' New Heart Cure. Patients often have no idea their disease is heart trouble, but ascribe it to indigestion, liver complaint, etc. Here are some of the symptoms: Shortness of breath after exertion, Swooning spells, Pain in Chest, Throat and arm, Discomfort in Left or one side, Pitting Spots, Nervous Cough, Swelling of Feet and Ankle, Fulsness of Face and Lips, Palpitation, Nightmare, Irregular Pulse. "I have great faith in Dr. Miles' New Heart Cure, and speak of its merits whenever opportunity presents. I can now go up and down stairs with ease, where three weeks ago I could hardly walk one block. One year later I am still in good health; the Heart Cure did so much for me, that I find it a far greater medicine than you claimed it to be." Dr. J. W. YOUNG, D. D., 99 North Pine St., Natick, Mass.

It Was a Knock Out.

Portland, Or., July 4.—A special to the Oregonian from Amberson, Wash., tonight states that Fred Ross, who was knocked out by Jack McDonald of Olympia today, has not recovered consciousness. The writer has been sworn in against McDonald but he will not be allowed to leave Aberdeen until it is known whether or not Ross will die.

Ogden Crickets Won.

The cricket match between Ogden and Salt Lake teams, played at Ogden yesterday, was a surprise party for the Salt Lake team. The local players have had a snap in the past, easily defeating Ogden, but yesterday's match was different and Ogden walked off the local crowd and plenty.

Roberts Brothers Won.

In the finale of the tennis doubles played yesterday on the Miller courts, the Roberts brothers, Frank and Carl, were victorious, and now have possession of the championship trophy, a handsome silver cup, presented by the Intermountain Tennis association. The Roberts boys defeated Messrs. Hinweedy and Edwards, the scores being 6-2, 6-2.

ON THE RACE TRACK.

Keene's Champion 3-Year-Old Sycoby Captured Rich Stake. New York July 4.—James H. Keene's champion 3-year-old, Sycoby, winner of the rich Tidal stake and the Commonwealth handicaps today added another wealthy trophy to his already long list by capturing the Lawrence Realization stakes at Sheepshead Bay. Sycoby was a hot favorite at 2 to 5, and at no time during the race had his backers cause for alarm. H. P. Whitney's Tanya was an easy second, with Fred Barrows' Mielgraine third. A more perfect day could hardly have been witnessed, and the summer meeting of the Coney Island Jockey club had a glorious ending. Fully 5,000 persons were on hand when the horses lined up for the races. The Lawrence Realization is a stake event for 3-year-olds, and the mile and five-furlong, worth \$7,000 to the winner. Results: First race, the Independence steeplechase, about two and a half furlongs; Italian won, Black Hussar second, Gaid Van third. Time—3:20-2-3. Second race, one and one-half furlongs—Incantation won, Zeal second, Lady Uncon third. Time—1:13-2-3. Third race, the Double event of \$3,000, six furlongs (1:35 (March), 12 to 1; won; McKittride, H. (Shaw), 15 to 1.

Butte, Mont., July 4.—Buddy Ryan of Chicago retained the welterweight championship of the world in his battle here today with George Herberts of California. Ryan won in the eleventh round, after a grueling battle, knocking Herberts out with a right to the jaw. The battle was one in which the favored was small and the principals were both to fight. Finally it was decided that the winner take all and that the favored Ryan to such of the men. Herberts had the better of the battle up to the eighth round, having flown around several times. Each round he carried over twice in the first round, Herberts taking 10th count at the bell.

Advertisement for SCHRECK GOES TO CHICAGO. Will Take a Rest and Then Hogan Will Go for Match With Hart. Milwaukee, Minn., July 4.—Hogan, his manager, left yesterday afternoon for Chicago, where Mike will take a long rest. Mike was a bit homesick as he has not seen his wife and little boy for many weeks. After he has had a needed rest, Hogan will try for a match with Marvin Hart, and he is very anxious to have it take place in this city sometime in September. In the meantime Hogan will go after Bob Fitzsimmons' horse forfeit money, now in the hands of Charles Gardner. Schreck did not have a mark on him yesterday, all of which indicates the wonderful speed and cleverness his horse displayed since he bought George Gardner. Barry was around town greeting his friends in his usual cordial way, but he bore several marks on his face, which Schreck's terrific walling had done. The only excuse Barry offered, was that Schreck was too big for him. There was three pounds difference in their weight. The contest is still the chief topic in sporting circles and the opinion is that while Barry is tough and game, he isn't Schreck's class. The crowd in the stadium was very much smaller than supposed, there being only 4,000 in the house, 200 per cent was given to the fighters, and they divided between the best cent to Schreck and 90 per cent to Barry.
