**LOCAL NEWS.**

Overcome by the Heat.—On Thursday afternoon Mrs. H. Leyland was standing outside of her house in the Eleventh Ward, conversing with another lady. She had been there but a few moments when a feeling came over her, causing her to exclaim that she had been struck by something. She fell to the ground in a swoon, and was taken into the house and restoratives applied. It was some time, however, before she regained consciousness, and the effects of the intense heat, which was the cause of her sickness, have not yet disappeared.

Dropped Dead.—About 10:30 o'clock last night, Charles N. Munch, of Monticello, was standing at the gate in front of his father-in-law's residence, at the corner of East Temple and Sixth South streets, when he had a sudden attack of heart disease and fell to the ground unconscious. Efforts were made to revive him, but he was a sufferer from the disease for some time. He leaves a wife the daughter of John Heyworth and one child. His age was about 38 years. The funeral will be held to-morrow.

Article 47.—Mrs. A. A. Adams, whose presence among us has been before noted, will appear with the Home Dramatic Club in the Clara Morris version of this celebrated French play sometime during the next week or ten days. I Obsequies.—The funeral services over the remains of Charles S. Whitney were held at the family residence yesterday afternoon. The attendance was large, many being unable to gain admittance to the house. The proceedings were conducted by Elder Robert Patrick. The opening prayer was offered by Elder W. B. Burton and the benediction was pronounced by Patriarch John Smith. Elders John Nicholson and C. W. Stanner were the speakers. The dedicatory prayer at the grave was offered by Bishop John Q. Cannon.

The rates to Soda Springs or Montpelier are from Salt Lake, \$10; Ogden, \$8.80; Park City, \$10.50; Evansville, \$11. The Cache Valley tickets are good for ten days and those to Bear Lake for thirty days.

## **Missionary Labors.**

Elder M. P. Madsen, of Ephraim, Sanpete County, recently returned from a mission to Scandinavia, for which place he left Salt Lake City on the 11th of October, 1884, in company with 27 other missionaries.

On November 1st he arrived in Copenhagen, where he was sick for some time, from the effects of the damp climate. He was assigned to labor as traveling Elder in the Copenhagen Conference, where he remained one year preaching the Gospel, and acquired a fair knowledge of the Danish language.

During this period Elder Madsen and his companion held a meeting in the city of Callunburg, where the Elders had not been for eight years. There was a large audience present, and when the name of Joseph Smith was mentioned in the address, the meeting was restored sufficiently to close the meeting with singing and prayer, and the Elders started from the hall.

They were set on by a mob of about 25 drunken men, but fortunately managed to get out of the building unhurt, though they were jostled about considerably. A large crowd then followed them, but they successfully eluded them and got off safe.

Brother Madsen was next sent to labor in Jutland, in thealborg Conference, but was only permitted to remain two weeks. They were written on by the chief of police, who, after examining their passports, informed them of the edict of banishment.

For eight months Elder Madsen labored successfully in the Aarhus Conference, where quite a number received and embraced the Gospel.

In April, 1886, he was assigned to the island of Feroe, where the feeling against the Saints was very bitter. Every Elder of foreign birth was banished if discovered. Fortunately Elder Madsen was enabled to perform his duties there unmolested, and after visits to Sjalland, to the relatives of his parents, and obtaining some genealogical data, he was released to return home, having greatly enjoyed his missionary experiences.

Arrested for Grand Larceny.—This morning Marshal Frank H. Dyer arrived from Evanston, Wmington, bringing with him George Rauber, who was arrested on an indictment for grand larceny, found by the grand jury of the Second District. Rauber will be remembered as the person who, in connection with his partner, Geo. B. Warren, also of Beaver County, received letters from the east relative to counterfeiting money, and who, in the investigation, all his property in spurious bills. Both then went east to carry out their nefarious designs.

The parties to whom they sent their cash, however, never gave them anything in return, so the speculators were badly bitten. In converting their property into money, Rauber sold a team and buggy belonging to Warren, according to his story, at the latter's request. He is now charged with having stolen the team, and his former partner is the complaining witness. All the facts will probably be brought out at the trial. Rauber was sent to the penitentiary in default of bail.

16th Ward Excursion.—The 16th Ward Sunday School children and their parents expect to spend Friday, August 13th, at Lake Point. A brass band will accompany the excursionists. The committee of arrangements give a cordial invitation to friends and relatives from other wards to participate in the excursion. Committee: Biglow F. Kessler, Counselor Francis Cope, Counselor James W. Philpott, Peter Gillespie, Peter Reid, John Vincent. Three trains leave and return on schedule time. Fare as usual.

Killed a Dog.—Between 6 and 7 o'clock last evening a young man named Ellerbeek was driving through the Sixteenth Ward. When passing the residence of Mrs. Gray, whose husband was killed in a railway accident, a dog ran out, and a large dog belonging to the lady got into a fight with Ellerbeek's dog. The young man became enraged, jumped out of his buggy and threw the animal, which was killed. Mrs. Gray, who was considered a very valuable one, complaint was made in the justice's court to-day, and an investigation will be had as to whether or not Ellerbeek did what was right in the premises.

Language and Music.—Mr. Godfrey Hessel, an accomplished scholar, is about to open classes in languages and music—organ and piano. For this purpose he has fitted up a room at 50 S. Second Street, where he will begin teaching at 8 a. m. on Monday, August 9th. Those who wish the benefit of his services should make early application, either at the address given above, or at his office. He will also give private lessons at the residence of pupils, if they so desire. Mr. Hessel is eminently qualified to teach the branches herein mentioned.

Bound Over.—Mr. Harry Hill, of Milford County, was taken to Ogden yesterday afternoon, and arraigned before Commissioner Feilshaw on a charge of grand larceny. It is alleged that a couple of years ago Orth Bretherton placed a number of calves in Mr. Hill's care, and that he refused to deliver them up. The examination before the Commissioner was waived and the defendant held in \$3,000 bonds.

**HEALTH HINTS, AND OTHER THINGS WORTH REMEMBERING.**

COMPILLED BY MAC.

I clip the following from The Herald of Health.

**A SENSIBLE BREAKFAST.**

From the South to the North, and St. There's no breakfast so equal good coarse oatmeal porridge.

Tell me not of the life of beef, mutton or fowl, but of the life of oatmeal porridge.

Frizzled, broiled, underdone, yes, done to a cork; Name not ham, bacon or bacon, or sought from some distant place, but of the life of oatmeal porridge.

Potted, real, beef and bladders are not worth a fig. All fish, fowl and fowls are to me filthy forage.

And against all your breakfast I'll back oatmeal porridge.

Hurrah for the porridge that smokes in the morning!

If this build not the man, prithee tell me what will?

Is it porridge or fish works the Lancashire mill?

The virtue of the North has a check like the Rose.

Is it porridge or fish whence the ruddy cheek glow?

'Twill not make the blood, refreshingly course through the veins,

Increasing the pulse and enlivening the brain,

But the frame shall be stronger the blood more refined,

And the body be less of a clog to the mind.

Then hurrah for the porridge, good coarse oatmeal porridge!

Hurrah for the porridge that smokes in the morning!

Why, your brain cannot relish beef, mutton or ham,

Or the shaggy remains of the innocent lamb;

Even swill, roasts or boiled, beef or broast, wing or wing,

Hurrah for the porridge that smokes in the morning!
