**C. F. MUNRO, Senr's.,**

PROCESS OF

Curing Disease by Medicated Vapor

IS ONE THAT IS FAST AND DESERVINGLY becoming popular, as hundreds of living witnesses can attest. Old chronic cases of years standing, and where all other medical aid had failed, are constantly being cured by it. The scales are falling from the eyes of an intelligent people, and the public daily being convinced of the folios of keeping on in the old beaten track of purge, purge, where failures are so universal. With this process no medicine is given, or applied, except in the form of vapor, which is received through the pores of the skin, and thus through the blood, which becomes purified by it, and without the slightest harm to the constitution.

**LETTERS PATENT** have been granted me, and any family with ordinary intelligence, can, by securing a family right to use the same, save themselves, in the course of a few years, hundreds of dollars. Below find a list of some of the diseases cured by the process:

RHEUMATISM, NEURALGIA, DROPSY, LIVER AND KIDNEY AFFECTIONS, DIABETES, BRONCHITIS, CHILLS, SORE EYES, ERYSIPELAS, SCROFULOUS AFFECTIONS OF EVERY FORM AND CHARACTER, PAINS, CRAMPS, SALT RHEUM, TETTER, SCURVY, LEPROSY, FEVER-SORES, WHITE SWELLINGS, &c., &c., &c.

It removes the effects of all poisonous matters, Mercury, Lead, Arsenic, &c., and restores a healthy circulation throughout the system.

Family Rights can be obtained of J. Rees & Brothers, at the REES BLOCK, First South Street, over the Oil Store.

Rooms are being nicely fitted up over their Store where patients can be received under treatment and furnished with Rooms and Board, comfortable as can be found in any Hotel in the city.

#### THE ESTEY ORGAN

HAS been for nearly thirty years the leading instrument of the United States. The Estey Company have seven immense four-story buildings in which they manufacture their Organs. They employ five hundred men and turn out ready for use 900 Organs per month, 225 per week, over thirty-four per day and one nearly fifteen minutes, yet scarcely keep up with the immense demand for this POPULAR INSTRUMENT. This is the largest Organ Factory in the World. The labors of the Company are not in trying to sell but in trying to manufacture a sufficient number to supply their 200 Agencies and in making and testing inventions for the general improvement of their SPLENDID INSTRUMENTS. One of these is the Wonderful Vox Jubilante which gives to the Estey such a heavenly tone. This is patented and cannot be applied to any other Organ.

I confidently recommend the Estey Organ as the best in use for everything that makes an Organ desirable.
