## THE DEAD HONORED ON MEMORIAL DAY

Junction City People Pay Homage To the Nation's Heroes

### CRITCHLOW HOME BURNED.

Narrow Escape of Inmates—Jost Home Burglarized—Capitol Talk Only "Hot Air."

OGDEN, June 1.—Decorations day was fittingly observed in Ogden yesterday. From early morn until late at night there was some sort of observance of the day or some special Memorial program. The morning was devoted to the decoration of the graves by the civic, military and other organizations. Yesterday also marked the opening of the resorts. A feature of the day's events was the automobile parade and races given under the auspices of the Ogden Automobile club.

At 9 o'clock in the morning the Grand Army of the Republic, the Ladies of the G. A. R., the Women's Relief corps, the United Spanish War Veterans met at the city hall and proceeded to the city cemetery where services were held. The Spanish War veterans headed by the band from the state industrial school, a very creditable organization of boys under the leadership of Prof. E. W. Nichols, marched to the cemetery.

The G. A. R. ritual was observed first and then followed the Spanish War veterans' ritual. After these services the band played two selections and the firing squad fired three volleys. The graves of the soldiers of two wars were decorated with wreaths, etc.

In the afternoon the various organizations went to the Mountain View cemetery where similar services to those at the city cemetery were held. Later the organizations went to the mouth of Ogden canyon where appropriate services for the naval dead were held on the Ogden river bridge, the headquarters of consigning flowers to the rushing waters being included in the service.

The afternoon was almost wholly consumed to the visiting of the canyon, various parks and the automobile tournament at the fair grounds in the afternoon. The latter was attended by more than 5,000 people. Presenting great headwinds, in which more than 60 machines took part, was held on the main streets of the city, after which all went to the fair grounds on west Seventeenth street.

**CRITCHLOW HOME BURNED.**  
 OGDEN, June 1.—Joseph Critchlow, desk sergeant at the police station, residing at 279 Thirtieth street, and the members of his family narrowly escaped being burned to death at 11:15 o'clock last night when their house caught fire, but as it is escaped with a few clothes. The fire evidently started in a clothes closet off the bedroom occupied by Mr. Critchlow, and the smoke almost strangled him. As quickly as possible he aroused all the other members of his family, and they fled to the fire department.

The flames had gained a good start and had eaten through the wall of the closet into the parlor and were making great headway when the department arrived. The flames were extinguished by the use of the chemical engine. It was found that all of the family's clothing except a little that they had been able to grab up as they fled from the house had been destroyed. A piano, carpets, rugs, pictures in the parlor were destroyed. The loss will reach about \$2,000.

**JUST HOME BURGLARIZED.**  
 OGDEN, June 1.—Sometime during the early part of last evening, while the family were at one of the parks, the residence of Mr. and Mrs. Andrew J. Jost, 2151 Monroe avenue, was entered by burglars, who secured \$50 in money and table silverware.

When Mr. and Mrs. Jost returned home at about 10:30 o'clock they found their house had been completely ransacked and everything of value was gone. The burglars had effected an entrance through a side window and had

emptied the contents of bureau and stands out upon the floor, also tore the carpets loose and did not overlook any place that valuables might have been concealed. The police were advised and immediately a half a dozen men were detailed upon the case, but have thus far failed to strike any clue that would lead to the arrest of the robbers.

### PROGRESS OF RAPID TRANSIT.

OGDEN, June 1.—Owing to a number of delays in receipt of material the work on the line of the Ogden Rapid Transit company through Ogden canyon has been delayed during the past week, and it is very probable that other short delays caused by the securing of right of way will postpone the completion of the line to the Hermitage hill.

This morning the force in the canyon was increased to two hundred men, most of whom have been added to the track-laying gang and will rush that part of the work through to completion. The material is being received and for the line is being received and will be delivered on the ground by the time the track-laying is completed.

Upon the completion of the line to the Hermitage the road will be opened for work upon the road through the canyon and to Huntsville, a city of about a thousand population.

### ONLY HOT AIR.

OGDEN, June 1.—In a lengthy communication published in a local paper last evening, Fred J. Kiesel makes an eloquent plea for the people of Ogden to vote "yes" upon the question of a special tax for a state capitol. He says the people of Ogden should quit playing the dog in the manger and help to have the state capitol tax levy carried. He says that Ogden never could get the capital from Salt Lake City, and that the state needs a home for its legislature and offices. The efforts of Ogden people to get the capitol for Ogden people to get the capitol for Junction City he classifies as hot air.

### FUNERAL SERVICES.

OGDEN, June 1.—The funeral services for the body of Alexander Joseph, the Kanabville pioneer, who died at his home Saturday afternoon, was held at the Larkin funeral chapel yesterday afternoon. Bishop George Green presiding. The music was furnished by a quartet. The speakers were President C. F. Middleton, Patriarch George W. Larkin, W. J. Critchlow and Bishop Green.

The funeral of the late Richard Slater was held at the Richer funeral chapel yesterday afternoon at 1 o'clock, Rev. N. S. Elderkin officiating. There was an unusually large attendance of relatives and friends of the deceased.

### THE PUBLIC SERVICE COMMISSION, SECOND DISTRICT.

State of New York, which requires the railroad companies operating within the State to furnish detailed information relative to the operation of their lines for punctuality with a percentage of 96. The company operated 7,393 trains, of which 227 were late at terminals, giving the average minutes late per train run of nine-tenths of a minute.

In addition to this record, the Commission's own statistics show that within the last four and one-half years the company has operated 475,000 passenger trains without a single fatality to a passenger, a record that probably has never been equaled by a line of similar size. The Erie carries an average of 25,000,000 people a year.

## MEMORIAL DAY AT MOUNT PLEASANT

(Special Correspondence.)  
 MT. PLEASANT, June 1.—Memorial day services were held in the Assembly hall, at 10 a. m. J. W. Cherry delivered the oration.

### MOUNT PLEASANT BRIEFS.

MOUNT PLEASANT, June 1.—Rev. Wendell Hall of Salt Lake City delivered the baccalaureate sermon on Sunday evening, May 30, to the graduates of the Westvick academy. The following are the graduates: Harold Jensen, Clinton Webb, Ella Clemensen, Lucie Lovell, Alene Whittaker, Janet Hunter, George Jensen.

The entire classes of Mt. Pleasant and Fairview eighth grades passed the examination.

The half holiday, which has been discussed recently, is to be observed in Fairview commencing on Friday, June 4.

During the past week the Sanpete Valley Cold Storage company has purchased the lot across the street south from the Mt. Pleasant depot, of Alma R. Young, for the sum of \$500. The cold storage plant will be constructed immediately.

A kindergarten will be conducted during the summer, for a term of 10 weeks, commencing June 7, with Miss Beda Nordval of Salt Lake City, and Miss Pauline Monson of Mt. Pleasant, in charge.

In order that the city of Mt. Pleasant may appear to a good advantage on the occasion of the semi-centennial celebration of July 6, 1909, James Monson, the mayor, has proclaimed June 10, 1909, a public holiday and suggests that citizens unite in a systematic effort to clean up and beautify streets and sidewalks.

### CHRONIC RHEUMATISM.

This is the variety of rheumatism that usually attacks the larger joints, knees, hips and shoulders. It is aggravated by cold and damp weather, and for this reason a man afflicted with it can often foretell changes in the weather. Chamberlain's Liniment applied freely and with vigorous rubbing relieves the pain and makes sleep and rest possible. It will also effect a cure, but will not prevent the recurrence of the disease. For sale by all druggists.

## BINGHAM IS THE SCENE OF STABBING AFFRAY

(Special Correspondence.)  
 BINGHAM, May 31.—The Union saloon, shortly after last midnight was the scene of a stabbing and shooting affray. A dispute arose between Alex. Furlong and John Plett, brother of the proprietor, over the breaking of a pane of glass, Furlong denying that he had broken it. In the controversy Plett drew a knife and stabbed Furlong two or three times in the back and once on the top of the head. By this time there was a free-for-all fight. A couple of Furlong's friends also were stabbed in the scuffle. James Pinto, the bartender, then procured a gun and fired a couple of shots, but no one was hit. The officers then appeared on the scene and quelled the riot. Plett and Pinto were both arrested, but were released on bonds. Furlong's injuries are not serious.

## LITTLE CHILD DROWNED IN DITCH AT VERNAL

(Special Correspondence.)  
 VERNAL, Utah Co., May 26.—Yesterday afternoon the 20-month-old son of Mr. and Mrs. W. S. Henderson of Roosevelt was drowned in the ditch that runs through the center of Vernal city. The child was playing near the ditch and fell in; the body was found lodged in the ditch about a block down. Its parents were in Vernal on a visit at the time of the sad accident.

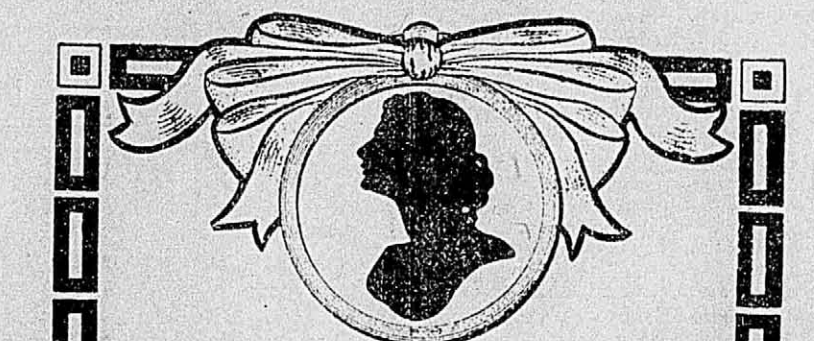

## VERNAL NOTES.

The county clerk and deputies are very busy getting in readiness for the special election on June 8 and also for the district court, which convenes June 9, with the largest list of trial jurors called in the history of the county. It is expected that Workman will be put on trial at this term of court, for the murder of James Griffin.

Many attribute it to the comfort which Allen's Foot-Ease, the antiseptic powder to be shaken into the shoes, gives to the millions now using it. As Weston has said, "It has real merit."

## The Bridal Silver

The worth of the bridal silver can only be proven after years of service. Many dealers show only light weights and badly designed and executed patterns which of course sell for less than quality silver, for the same reason that a goat sells for less than a Jersey cow.

Nothing is more humiliating to the giver and recipient alike than to find that the silver which was purchased in good faith and accepted as having substantial worth is light in weight and faulty in design.

Our silver is all made by such factories as Gorham Co., Whiting, and Towle Mfg. Co., and stands the scrutiny of the particular and the use of the rough.

Our prices on silverware are as low as the same quality and weights furnished by anyone anywhere, and all of our best designs are sold locally exclusively by us.

We furnish a seventy-five cent teaspoon or a thousand dollar service on a moment's notice, and everyone knows that our name on a wedding gift is a sufficient guarantee of its propriety.
