Visiting Team Showed Great Strength In the Sprints and Won Them in A Most Decisive Manner.

The bunch of sturdy youngsters composing the track team representing the Ogden High School in the big track meet on Cummings geld Saturday after-noon walked off with the greater number of points, or rather ran off with them and now the championship of the state reposes in the Junction City. The inter-esting part of the meet was the friendly, but intense rivalry between the high schools of Salt Lake and Ogden. The latter team had a big crowd of rooters whose vocal organs were in excellent con-

Sily.

It was agreed that each school shall enier at least eight men and the A. A. U. rules will govern the meet and the following officials were decided upon:

a mighty buss of constructions. It was a great struggle between Ogden and Sait Lake, and the victory of the visitors was decisive and leaves no room for doubt as to superiority. Remembering what Ogden did in the football game last fall, the Sait Lakers fought desperalely to beat the rival team but failed. In the sprints there was nothing to it but the Junction City lads. They took the hundred, two-twenty and relay, but in the four-forty Meyer was disqualified for fouling Carmichael. Following is a summary of the meet:

accepted by Wilkinson, who declares he is willing to race at the Auditorium rink whenever Shotz is ready. Wilkinson, however, is a bit anxious to make the race worth while from a financial standpoint, and insists that a side het of \$100 be made. Shotz, in his challenge, offered to wager \$25 on the result, but it is likely that he will be able to get \$75 more and make the side bet.

The management of the Richards street rink is now arranging the details of the race, and if the two skaters can agree, the date of the contest will be announced in a day or two.

Ogden tomorrow night comes the twenty-round argument between "Fighting Dick" Hyland and Billy Finucane, called the "Fighting Irishman."

Christie and Williams will enter the ring tonight at calch weights and there will be fittle if any difference in their poundage. Each will the beam at about 150 and both cialm to be in exceitent condition. They have been training for the past two weeks. In Morgan Williams, Christie goes up against a tough proposition. Williams is a rugged, aggressive fighter, and has a punishing wanch in either hand. In point of cieverness Christie is undoubtedly the better of the two, and he will depend on his last foot work and quick left jabs to save him from serious trouble.

work and quick left jabs to save him from serious trouble.

At least 200 local fight fans will take the special train over the Rio Grande at 6:30 this evening. A special rate of \$1.50 has been made for the affair and the train will return as soon as the fight is over. The question of referee has not been settled but in all probability the third man in the ring will be Mike Fitzgerald of Park City.

HYLAND-FINUCANE.

HYLAND-FINUCANE.

The Christie-Williams bout in no way detracts from the interest in the Hyland-Finucane fight at Ogden tomorrew might. Tickets for seats for this event have been going like hot cakes, and one of the largest crowds that ever attended a fight in Ogden is expected at the ringside. Finucane, the Chicago boxer, is the favorite with the Ogdenites, although Hyland has many warm friends there. Finucane says he is in great shape and is confident he will put a temporary stop at least to Hyland's winning streak.

Hyland quit training yesterday afternoon and according to Red Sammy McClintic, Hyland's little manager, Dick is in great shape. McClintic said this morning he felt sure Dick would put the Chicagoan down for the count before the twentieth session is announced by the gong. Two special trains will run over the Rio Grande. The first will leave at 7 and the other at 8 p. m.

No decision has been reached on the question of referee, but it will be settled before the men get into the ring. The name of Charley Lange has been suggested and he may be the third man in the ring. The main event will be started at 9:30 sharp.
