On the part of Eden the very gist of afternoon the Forest Dale building their contention during all the litiga-ion has been that the water when turned down the channel ginks in the sumiffee gave a juncheon in bond of Architect S. T. Whitaker, who made and and does not reach Ogden river, eras if luraed out onto their farms he plans for the ward's recently erect. charas if turned out onto their fulfile t would perconde through the soft and orms out along the banks of Ogden iver in the form of springs. They repose to have the water measured ac-urately so as to determine this point, and Engineer W. M. Rostuph has been a the value of this week making the ed church edition. A feature of the uncheon was the presentation to Mr. Whitaker, in behalf of the people of the Whitaker, in behalf of the people of the Dale, of an elegant loving cup on a Diken of their approxiation of his ser-vices. On one side of the cup is an otching of the building itself, very cleverly done, while on the other is the inscription. "Token of uppreclution presented to Architect Whitaker by the people of Forest Dale. Aug. 10, 1905." Mr. Whitaker was taken com-pletely by surprise, but in a few well the valley all this week making the sasurements. The North Ogden proe turned down a lot of water than that which was involved in figation and also started to dig stificial channel so as to carry

the Eden farmers, as they would have the Eden farmers, as they would have to do to get their teams down into the channel. The North Ogden men disre-garded the warning and tried to drive their teams on the land anyway. The Eden men seized the bridles and re-strained them. There was an incipient volcano in that vicinity for a shor-time, but the older heads kept the hol-heads reasonably sole and no blows eads reasonably quiet and no blows are struck. Some of the Eden people ad guns but did not offer to use them. A detachment of the North Ogden eople got down into the cannel with hovels but without their teams, and vere at work cleaning out the channel when the deputy sheriff arrived. None of those who had previously been clied for contempt took any part with the other Eden people in this passage at

COUNTY TEACHERS.

Teachers for the various county chools were assigned Friday egular meeting of the county board of ducation. The board also issued an inclai nulke to the effect that schools official malice to the effect that schools throughout the county will open Sept. 11. and made preparations for the transfer of all the property of the var-jous districts to the county board. This includes real estate for which the deeds are to be prepared during this week. The list of teachers follows: Huntsville-C. W. Kunz, Isaar Grow, Ida Stock, Ellen Lofgreen, Verna Smith and Mulle Lund.
