# McDOUGALL KITCHEN CABINETS!

A woman, quick to appreciate values, looked at our attractive display and said: "That is a thoroughly practical piece of furniture. It's what has always been needed in a kitchen. I can see what a great help it would be and I'd like one—but I have no room for it."

CLOSER inspection showed her that the cabinet occupies only the needed space of an ordinary kitchen table, with every inch of waste space, above and below, utilized in the most careful and practical way. By the use of a McDougall Kitchen Cabinet, the housewife may dispense with kitchen cupboards, thus saving space. By its use she may have all the implements of her craft assembled at her finger's ends, thus saving strength. By its use she may have all her supplies and utensils arranged in the most systematic manner, thus saving time.

## Make Your Household a Pleasure

The woman who has a McDougall Kitchen Cabinet does not have to spend all of her time in the kitchen.

She gets through with her work quickly, easily and systematically. She knows where to find everything she wants instantly, without taking endless steps to get it.

You can select any McDougall Kitchen Cabinet made with the firm conviction that it will save you thousands of steps and it will also save you more than its cost by keeping food supplies free from waste.

Call at this store, and see the complete display of McDougall Kitchen Cabinets, and learn how you can get one on 30 days' trial in your own home
