FOR THROAT DISEASES and Affections of the Chest, "Brown's Bronchist Troches" are of value. For Coughs, Irritation of the Throat caused by cold, or Unusual Exertion of the vocal organs, in speaking in public, or singing, they produce beneficial results.

HACK, HACK! COUGH, COUGH!-Cough is a symptom by which variduced in the throat and larynx by taking cold, from an attack of Bronchitis, from incipient Conspeedily nor cure it more permanently than Dr. Pierce's Golden attack, or a lingering cough, the Discovery is in either case equally well adapted for its relief and permanent cure. In fact, it will cure a cough in one-half the time necessary to cure it with any other medicine, and it does it, no by drying it up, but by removing the cause, subduing the irritation, and healing the affected parts. No time should be lost in commencing the use of the proper medicine for the relief of a Cough, for unless this course is pursued, serious and dangerous disease of the lungs is liable to result.
