THE HOUSE AND SENATE
Last Night's Dispatches.

CONGRESSIONAL

SENATE

WASHINGTON, 14.—Consideration
was resumed of the postoffice
appropriation bill, the pending
question being on the point of order
raised by Mr. Morgan that the amend-
ment submitted by Mr. Morgan in regard
to a semi-monthly Brazilian mail
service and to pay \$30 a
mile therefor could not be received,
as it proposed new legislation and
was not germane to the subject.

After a brief discussion, in which
Mr. Morgan said he would like to see
the measure, but not in the present
form, and a short and mild tilt be-
tween Mr. Morgan and Mr. Blaine, the
question was submitted and was
decided in the negative—yeas 13,
nays 32.

The bill having been considered
in committee of the whole was re-
ported to the Senate, the amend-
ments made in the committee con-
firmed by yeas 13, nays 32.

Consideration was resumed of
the bill to repeal special resump-
tion.

Mr. Morgan made a long argument in
favor of the bill, and Mr. Blaine
argued that a return to special
payments would still further
contract currency and further de-
press the value of labor and prop-
erty. He favored the repeal not
only of that part of the act fixing
the date of resumption, but also the
entire act, and the resumption of 50
per cent. in legal tenders as national
bank notes were issued, and es-
pecially that part authorizing the
issue of interest-bearing bonds for
coin.

The president pro tem laid before
the Senate a message from the
President in relation to the resump-
tion of the 29th of April enclosing a re-
port from the Secretary of State in
regard to the terms and conditions
of the surrender of Cuba to the
United States.

Morgan gave notice that to-mor-
row he would speak on the resump-
tion of the currency, and that he
would submit a resolution touching
the relations between the United
States and Mexico.

Mr. Morgan gave notice that when
the bill to repeal the special resump-
tion act should be taken up again,
he would insist on its consideration
day to day until its vote is
reached.
