Decision Rendered.

WASHINGTON, 7.—Sir Edward Thornton, the Mexican claims commissioner, rendered the following decision to-day: "The claim of Maria B. Judah, executrix, *vs.* the Mexico claim arising out of a contract between the Mexican consul in San Francisco, California, professedly acting under instructions from his government, and Messrs. Cavallier and Chauviteau, two Frenchmen. In connection with these transactions, certain drafts were drawn by the consul on the Mexican treasury, and endorsed before maturity on a loan by an American citizen, after which they were protested for non-payment. It is held by the umpire that if any persons were injured they were the two Frenchmen, over whose wrongs the commission has no jurisdiction. Dismissed.

Blacks and Whites Fighting.

Telegrams have been received by the Attorney-General from the U. S. District Attorney and U. S. Marshal, at Jackson, Miss., with reference to the recent disturbance there between white and colored citizens. The information is substantially to the effect that at a political meeting held at Clinton, Miss., on Saturday last, a row originated, during which three whites and four colored persons were killed and many wounded. The officers sending the telegrams were of the opinion that the state authorities were powerless to prevent a continuation of the disorders. The Attorney-General has telegraphed to the District Attorney and U. S. Marshal at Jackson, to do all in their power to preserve order, but as there has been no call from the U. S. authorities for assistance, no further directions have been given. Should application be made from the officers of the general government stationed in the disturbed places for aid, in supporting their official authority, it is probable that the Attorney-General will ask for the assistance of the military, but up to this time there have been no such demands or suggestions.

Decision Reversed.

DES MOINES, 7.—The opinion of the supreme court in the case of Isaac Brandt, indicted and convicted for the embezzlement of $40,000 of the public moneys while deputy treasurer of the state, was filed today. The case went to the higher court on appeal, Brandt's lawyers holding that the indictment was illegal because the deputy sheriffs, instead of the sheriff and police, were employed in the drawing of said jury. The supreme court sustained this point, and reverses the opinion of the lower court. Judges Cole, Miller and Day unite in this opinion; Beck dissents. Brandt now goes free, and it is asserted that he cannot again be indicted, the statute of limitation now saving him.

Indians Gathering.

RED CLOUD AGENCY, Neb. 5, *via* Sidney, 7.—The Sioux Indian commission have arrived here. All the Missouri Indians are at Shadron Creek with Spotted Tail's band, in all about 13,000, while at Red Cloud there are about 10,000 of the Northern Sioux, with the Yanktons and Santees not yet reported, but they are expected in a few days. The grand council will not take place earlier than the 14th of September, there being a difference of opinion as to the place of holding the powwow. No flour is here to feed the host of redskins, nor can any be brought here short of nine days. The prospects for the success of the treaty are flattering, and but little trouble is anticipated.

Mr. Davis well Received.

MEMPHIS, 7.—The *Appeal's* Desoto special, to-day, says that Mr. Davis was received at Columbus, with the kindest attention by all parties, he made a short speech, which was warmly applauded. At Charleston he received another hearty welcome and at the close of his speech had an informal reception, and he was made to feel that he was among his countrymen. In De Soto, prominent citizens, chiefly republicans, cordially welcomed him. He will be the guest of General Rankin until he leaves for St. Louis to-morrow.

War of Races and a Reign of Terror.

The following are some additional facts concerning the riot at Clinton, Miss., last Saturday: A large majority of the blacks were unarmed, having been cautioned against carrying weapons to the meeting, and the difficulty was wholly unsought by them, and they fought only in self-defence. By five o'clock not a colored man was seen on the grounds, and at the same time the Vicksburg train brought armed men from Edwards and Bolton. On Saturday night 500 armed white men occupied Clinton, and there was quiet on Sunday a.m. At daybreak the Vicksburgers, 200 of whom were here, commenced slaughtering negroes; all the colored people they could find were killed. Coldblooded armed bands were organized and scoured the country, and the work of slaughter went on. It is estimated that fifty men were thus killed in the county on Sunday. Others had fled to the woods and swamps for protection, and a complete reign of terror possessed the county. Colored men, for two days, have been hourly arriving, and reporting new outrages. The authorities are utterly powerless to stop the marauding bands. Governor Ames has issued an order commanding the rioters to disperse. The city is full of colored refugees, who dare not return to their homes; they ask nothing but protection. Governor Ames is doing all within his power to prevent further bloodshed, but no sheriff's posse is sufficient.

A Cemetery Vault Guarded.

MONTREAL, 7.—Last night the Protestant cemetery vault in which the remains of Guibord lie, was guarded by 18 men armed with navy revolvers and Enfield rifles, under the command of a sergeant of police. No date is given for the funeral. A general feeling of insecurity still prevails among the residents in the suburbs.

FOREIGN.

GREAT BRITAIN.

The Foot and Mouth Disease, &c.

LONDON, 7.—Fifteen thousand animals are affected by the foot and mouth disease in Dorsetshire.

The *Times*, in a leading article commenting on the reception, in New York, of the American rifle team on their return home, gives them high praise for their bearing and achievements during their European trip, and thinks their visit here and the consequent rivalries will be beneficial in many ways.

The Hop Crop.

The *Brewers' Guardian* newspaper says that the prospect in England continues for a fair and full average yield of hops of good quality; on the continent rain is needed, and unless it comes soon the crop will be decreased and the quality deteriorated. In France and Germany the hop fields are somewhat troubled with mould and vermin; in Belgium the yield will be largely over the average.

SPAIN.

Pursuing Dorregaray—Want Peace—Carlist Mutiny.

MADRID, 7.—The Carlist General Dorregaray, pursued by the royal forces, passed Roncala with 1,500 men; he had lost his war material.

The Biscayans are renewing their manifestations in behalf of peace, and refuse to pay the taxes levied by the Carlists. Rumors of negotiations for peace gain credence. It is said there has been a mutiny among the Carlists in Tolosa, and that many were killed and wounded.

Troops For Cuba.

The *Epoca* states that, 1,000 ex-rebel soldiers will sail for Cuba tomorrow; a regiment of cavalry embark on the 15th and 8,000 additional troops leave before the 30th inst., for the same point.

ITALY.

A Papal Consistory.

ROME, 7.—The date fixed for the Papal consistory is Sept. 9th. The Pope will then nominate occupants for the vacant sees in Spain, including three in the district occupied by the Carlists.

Arrival of McCloskey.

Cardinal McCloskey arrived in this city to-day; he was accompanied from Florence by Monsignor Roncetti. At the depot he was met by Cardinal Franchi and Father Chatard, rector of the American college. Cardinal McCloskey proceeded to the American college, where he will reside during his stay in Rome.

FRANCE.

The Peace Conference—Arrival of Pilgrims.

PARIS, 7.—The workmen's peace conference unanimously passed the principal resolutions before it, which solemnly protest against the present armaments of the European powers as an intolerable burden on the people.

Five hundred Belgian and some German pilgrims *en route* to Lourdes, arrived in Paris to-day, and attended religious services; they were in no way molested, and no excitement was shown by the populace.

UTAH AFFAIRS.

Congress and Polygamy,

Including the

POLAND BILL.

THE ABOVE IS A SERIES OF LETTERS by "Veritas," intended to give the reader some acquaintance with affairs in Utah, political, religious and otherwise; and to show, in some degree, the real objects certain men have in view, in urging upon Congress special and proscriptive legislation for Utah.

The writer has used, very generally, the language of prominent and disinterested parties, knowing that such matter has the greater weight.
