Washington's Birthday.-Yesterday was the anniversary of the birthday of George Washington, the "father of his country." As it was Sanday, no particular demonstrations of respect to the memory of the great man could well be made; to-day, however, many of the principal buildings of the city have been decke I with the "stars and stripes" and the principal stores and other places of business have been closed.

More Suspected Poisoning. -It will be remembered that George Hill, a seven year old son of Henry Hill, who lived with his mother, who separated by divorce from Mr. Hill about two years ago, died suddenly on Thursday night, and, owing to the symptoms manifested previous to his death, it was believed that it might have resulted from poisoning. An inquest was held on the body on Friday, by Coroner G. J. Taylor, when, as stated in the NEWS of that day, a verdict was given to the effect that the boy died said Shafer, not Kelly, took the from convulsions, produced by causes unknown to the jury. Besides the mother of the deceased boy and her children, there is another family living in the same house in the 15th Ward, Philip Hall and wife, the latter he (Kelly) was to "kill old Van he (Kelly) was to "kill old Van Bill the sum of \$500 0). ceased boy and her children, there Mrs. Hill, now Mrs. Ledingham. Another of the latter's and one of Mr. Hall's children, both girls about three years of age, have since died, one of them, that of Philip Hall, exhibiting symptoms exactly similar to those manifested by little Geo. Hill, the only difference being that the convulsions were a little stronger in the girl. She was taken ill on the same day that the boy died and breathed her last on Saturday night. The other little Mines of Utah," etc. girl, Mary Jessie Hill, died vesterday morning at 6 o'clock. Her Funeral Services.-As announced symptoms were different, however, and it is stated that she had been ill of scarlatina. The Van Valkenberg Murder .-There are now four parties under arrest, who are suspected of having been connected with the murder of Peter Van Valkenberg - Shafer, Kelly, Fax and Gray. The fourth, Robert Gray, saloon keeper of Sandy, was brought to town yes-terday by deputy sheriff Florida. Our reporter visited Mr. Gray this morning. The latter stated that Kelly visited his saloon on the day of the murder and asked him to Kelly, Fox and Gray. The fourth, of the murder and asked him to

lend him (Kelly) his shot gun and also asked him to load up one barrel with buck shot. The gun was loaded with five shot at a time

and Mr. Gray asked Shafer to fire he did, and Mr.Gray then loaded the the subject. empty barrel with nine buckshot. He says that Kelly told him he was going to hunt horses, and that he had not the least idea that Kelly was going to kill anybody. 'He himself had no dispute with Van Valkenberg, and could gain nothing by his death. He was anxious to have an examination immediately, and expressed confidence that he should be acquitted. He
