that fact, and on this occasion it is a pleasure to me, nearing the close of the present administration, to pay that ribute to your present governor which that e so richly deserves: "What can be said of Ohio can be

said of our nation. Republicans today can congratulate themselves that in the direction of national affairs they have realized all they hoped for and all they expected in the administration of Theoexpected in the administration of Theo-dore Roosevelt. We look back but a few short months, when that heroic young man, standing under the gloom of that awful tragedy at Buffalo, feel-ing and appreciating the responsibility which had come upon him, and in the presence of the American people made that sacred promise to them that to the best of his ability, with his heart full of desire, it should be his aim to carry out the policies of President McKinley. And how well he has succeeded we all know; and we all feel that this con-vention will express an appreciation of they will express an approximation of that administration. We all realize to that young president is due as coming from his heart the most patriotic, un-selfish and energetic devotion to the interests of the people and the principles of his party. Standing in the presence of his party. Standing in the presence of the American people and hearing those words, the solemn import of which impressed itself upon all who stood near him, no one can doubt his motives or even his ambition. No one can place him in the category of a man whose ambition is greater than his pa-triotem

"Human liberty, protection to Ameri-Auman interty, protection to Ameri-can industries and our workingmen. We started with that slogan many years ago. It went forth and reached the hearts of every fireside in the land, and if we needed any additional tribute or any accessory to add to the luster of that monument, it would be the cul-mination of happinges and continuent

that monument, it would be the cul-mination of happiness and contentment perceptible everywhere around us. I once said, 'Let well enough alone.' For God's cake keep letting it alone. "When I hear the suggestions that the time may come, as a result of the enormous influx of immigration, that the spirit of American Americanism will be contaminated by contact, I say no, my friends. The institutions of these United States are upon a surer founda-tion and there is a bulwark built years ago which stands today, stronser and ago which stands today, stronger und stronger. That bulwark is our common schools, our institutions of education so that we are adequately prepared for all assimilation that may be necessary for any and all who may come to our hospitble shores.
