ed persons, the death rate among small children is very high during the hot weather of the summer months in the large cities. There is not probably one large cities. There is not probably one case of bowel complaint in a hundred, however, that could not be cured by the timely use of Chamberlain's Colić, Cholera and Diarrhoea Remedy. Mr. Frank Riggs, of Franklinville, N. Y., In speaking of this remedy said: "I have found it expedient to have a sup-ply of Chamberlain's Colic, Cholera and Discinces Remedy on band II has Diarrhoea Remedy on hand. It has been a family safeguard and while eapecially beneficial to children, it is equally good in adult cases. I recom-mend it cheerfully and without reser-vation." For sale by all druggists.

ment for drowning; no water gets into the hungs. In "Accidents," one of the series of medical handbooks being is-sued by The Mutual Life Insurance Company of New York, full directions are given for reviving persons sup-posed to be drowned. The book will be sent on request to any who address the Home Office of the company, New York City.
