Deputy Sheriff Smith has arrested W. E. Crockett, for whom the officers have been looking ever since Oct, 27 last, who is charged with obtaining money by false preteress. It is charg-ed that Crockett bought some furniture on the installment play and without on the installment plan and, without paying for the same, mortgaged it to a local loan company for \$100 upon the representation that he owned it. Crockett learned that he was about to be arrested so he and his family left the state. He was unable to make a liv-ing in his new location so returned to this city.
