

## MITCHELL LOOKS FOR EASY MONEY.

In the Coming Fight Argument With Old John L. Sullivan.

### ENGLISHMAN IS CONFIDENT.

Thinks He Will Have No Trouble in Beating the Former Prize Ring Idol When They Meet.

"I didn't want to fight. I don't care a rap for the receipts, but I want to see what I can do. I don't know what he will try to do, but from the way I'll go in to knock his head off. If he steps into the ring striking off, I'll punch him. I'll punch him better than you," said "Charley" Mitchell in a recent interview in New York, while discussing his fight with John L. Sullivan scheduled for Sept. 15.

"Do you take this proposed fight seriously?" he was asked.

"I'll start training tomorrow, just as though the match were for a million pounds. Kid McCoy will be my sparring partner, and I'll have him at my side at Hot Springs many times will accompany me daily around central park. As it is now, I am in the best of health and will need very little training to beat Sullivan."

"When we were coming to an agreement I said to John: 'Now here, I am coming 300 miles to Seattle, Or., to fight. Will you fight?' He answered: 'Not only will I fight, but you'll get more than you bargain for.'"

"The old fellow must be broke," he observed. "He wants to get hold of a piece of money, and evidently he has found some one who is foolish enough to back him."

"What did you call the old man?" Mitchell was asked.

"Oh, since he wants to give an exhibition I'll help him make a stake," said Mitchell. "But why has he insisted on fighting fifteen rounds? If he had said eight or ten rounds it wouldn't have looked so bad."

"The man who is in the excellent physical condition Mitchell is said to have been extremely careful not to seriously injure the soft, fleshy champion of the world, sporting man say. If Mitchell swung his big, long right hand to the public, as it certainly will, to see the veteran in the ring, the Englishman, who is well known financially and socially, 'need the money.' In all probability he will be bluff and bluff around."

"But Masteron, who was with Mitchell last night, said: 'All of us who have seen the two men engaged will be perfectly willing to pay admission to see the face each other in the ring, even though they do not strike a single blow.'"

### TRAINING ABOUT ENDED.

Jack O'Keefe and Jimmy Gardner Say They Are Ready for Monday Night.

Tomorrow afternoon will see the last of the training for Jack O'Keefe and Jimmy Gardner, who are to meet in a second encounter next Monday night at the arena track.

O'Keefe and Gardner did some hard work today, and both claim to be in the pink of condition and down to weight. Both are confident of winning. Gardner from Gardner's camp and effect that the thirty Jimmy is now anxiously awaiting the sound of the gong, and is in better shape today than in his life. O'Keefe and Billy Stiff will go to Laguna tomorrow afternoon where they will box four or five rounds each with Fitzsimmons. This will be the last boxing for the Chicago boxer until he faces Gardner Monday night.

### BIKE RACES AT OGDEN.

Walter Hargrett broke a World's Record Last Night First Money.

There was another large and enthusiastic crowd of race fans at the Ogden arena last evening, and the spectators saw Walter Hargrett break a world's record, and then lost first money in the three-quarter-mile handicap, and made the distance in 1:24.5. The former record was 1:25. This was the second heat in the final Hargrett, with a second handicap, came over the tape first. Hargrett, second, and Williams third.
