wise or learned they may be in the things of this world, is bound to perish. No creed but that which is divine will endure. And that will never be tied up in a definite num-

ber of propositions or dogmas. It will be progressive. But the truths added to it will not be destructive of previously revealed doctrines. LATEST TRANS - ATLANTIC DIS Truth is not contradictory of itself. Principles may be revealed from God which may be imperfectly un. God which may be imperfectly un-derstood or not made known at once in their fulness, and greater light may correct improper conceptions. PESTH, 27.—There was a violent storm in Hundary on Friday, in the district of Oravitza. Most of the houses were destroyed. may correct improper conceptions, but there will be no dogma but there will be no dogma in a divine creed to discard or principle to throw away as errone-ous. Yet the Almighty suits special instructions, commandments and counsels to the age and people for whom they are revealed, and they may not be applicable to future gen-erations. But His doctrines are eternal truths, and can never ba-come dead or obsolete. The theories named in the quoted paragraph above are dead because they are not divine. They were the

they are not divine. They were the inventions of men. True, they were taught as part of the "Christian" A heavy gale prevails to-day, par-ticularly at Southport and Liveran incorrect understanding of the dead letter of Scripture, but they are all opposed to the living word of God and the true doctrine of redemption. No man but Adam will be rea. tion. No man but Adam will be judged for Adam's transgression. Christ's righteousness will not suf-fice for any other person, no matter how much faith he may have, for town.

fice for any other person, no matter how much faith he may have, for all will have to answer for their own deeds done in the body. In fanta will not be rejected of God to fave all, "for of such is the kingdom of heaven," and all who have arriv-ed at the years of accountability and have not heard the gospel of Christ in the flesh, will hear it in the spirit state, so that every man and woman who has de scended from Adam, will at some time have an opportunity to accept or reject Christ. The contrary of this is to be found is human creeds, but not in the doctrine of Christ, A lasting creed must be a divine creed. The time is at hand when a harmonicus creed will prevail in all the world. It will be so because God has revealed its fundamentals, and will add line upon line and precept upon precept, as experience and obe-dience prepare His children for their reception. And all that he reveals will harmonics, each their reception. And all that he reveals will harmonize, each

principle with the others. Accom-panying them will be the divine spirit making them clear to all who receive and obey them. The rem-nants of the dead creeds will be swept away as demolished monu-ments of human folly, and mankind will learn the great truths that the principle with the others. Accom-
