Important to Wool Growers!

form strength and puri- disgusting ty, without the addition of poisonous substances, and should be diluted 100 parts to one (although safe to use degree of at any strength) for dipping

This dip is convenient for use, as saved from it only requires water to dilute it. As tobacco is so well known to wool growers who have used the same, I can only add that I have it in thip sealed tightly.

Order either of my Sheep Dips, viz: Concentrated Extract of Tobacco. Also Non-Poisonous Sheep Dip. Price per Gallon:
