A MAN

WHO IS UNACQUAINTED WITH THE GEOGRAPHY OF THIS COUNTRY, WILL SEE BY EXAMINING THIS MAP, THAT THE

CHICAGO, ROCK ISLAND & PACIFIC R. R.

IS THE GREAT CONNECTING LINK BETWEEN THE EAST AND THE WEST!

Its main line runs from Chicago to Council Bluffs and Kansas, passing through Joliet, Ottawa, La Salle, Geneseo, Moline, Rock Island, Davenport, West Liberty, Iowa City, Marengo, Brooklyn, Grinnell, and Des Moines, the capital of Iowa; with branches from Bureau Junction to Peoria; Wilton Junction to Muscatine, Washington, Fairfield, Eldon, Belknap, Centreville, Princeton, Trenton, Gallatin, Cameron, Leavenworth and Atchison; Washington to Sigourney, Oskaloosa and Knoxville; Keokuk to Farmington, Bonaparte, Bentonsport, Independence, Eldon, Ottumwa, Eddyville, Oskaloosa, Pella, Monroe, and Des Moines; Des Moines to Indianola and Winterset; Atlantic to Audubon and Avoca to Harlan. This is positively the only Railroad which owns, controls and operates a through line between Chicago and Kansas.

This Company own and control their Sleeping Cars, which are inferior to none, and give you a double berth between Chicago and Council Bluffs, Leavenworth, or Atchison for Four Dollars, and Chicago and a section for Five Dollars, while all other lines charge between the same points, Three Dollars for a double berth, and Six Dollars for a section.

What will please you most will be the pleasure of enjoying a meal while passing over the beautiful prairies of Illinois and Iowa, in one of our magnificent Dining and Restaurant Cars that accompany through Express Trains. You get an entire meal, as good as is served in any first-class hotel, for twenty-five cents; or you can order what you like, and pay for what you get.

Appreciating the fact that a majority of the people prefer separate apartments for different purposes, and the enormous passenger business of this line warranting it, we are pleased to announce that this Company runs its PALACE SLEEPING CARS for PALACE DINING CARS for Eating purposes. One other great feature of our Palace Cars is a SMOKING SALOON where you can enjoy your "Havana" at all hours of the day.

Magnificent Iron Bridges span the Mississippi and Missouri rivers at all points crossed by this line, and transfers are avoided at Council Bluffs, Leavenworth and Atchison, connections being made in Union depots.

EVENING NEWS.

BY TELEGRAPH.

SPAIN.

The Floods in Murcia.

MADRID, 17.—The hurricane on Tuesday night was accompanied by heavy rains which overflow the rivers Mounds and Segura and flooded the populous and fertile valley and cities of Sorca and Orihuela.

A dispatch from Murcia says: The police estimate the damage caused by floods at $15,000,000 pesetas.

Murciland, Crevillente and a large number of villages between Murcia, Alicante and Carthagena were more or less injured. The rivers suddenly rose several yards during the night and the inhabitants were compelled to fly without saving any property. The streams are covered with wrecks of farm houses, agricultural implements, dead cattle and some human corpses. Soldiers and marines have been sent by train from the nearest station to the scene of disaster. The churches and public buildings are occupied by thousands of fugutives. The telegraph lines were destroyed between Madrid, Murcia, Orihaela, Alicante and Albaceto. The same storm also partially flooded Malaga and interrupted telegraph and railway communication even as far as Huelva and Seville.

The Spanish Cabinet met yesterday to decide on measures of relief.

The floods in Murcia continue; 119 corpses have been recovered. Four villages are in ruins and thousands of peasants are wholly destitute.

The state of seige in the Basque provinces will be raised on the occasion of King Alfonso's marriage.
