EVENING NEWS. PUBLISHED DAILY, SUNDAYS EXCEPTED AT FOUR O'CLOCK. DAVID O. CALDER EDITOR AND PUBLISHER.

Thursday. - September 2, 1975.

NEWS OF THE DAY.

-A Washington special says that the coming report of the com-mission appointed to investigate the frauds at Red Cloud, will render any whitewashing of the present administration of Indian affairs impossible, and that nothing but a complete change can remedy its almost innumerable evils.

-A genuine tragedy was enact-ed yesterday at City Island, N. Y. -at the close of a recitation given at a festival, by an Italian gentle-man, in imitation of Ristori, he put a pistol to his temple and inflicted a fatal wound.

---- More failures announced to day.

line of steamers will commence to run from St. Louis to Brazil.

man is the reason-the great reason, the one reason. Dress and all it implies. Flora McFlimsey knows very well what we mean and all we mean. Fifteen years hence, when she is 'that old Miss McFlimsey,' she will try a change; but it will be too late."

Dress is the one reason why marriages grow fewer, the dress of woman, not of man, says our contemporary. This may be true. The dress of woman may prevent men from marrying, but it does not pre-not reached me by due course, and vent women from marrying when they have satisfactory chances, or even chances not altogether sat- on the line, yet it sometimes hapisfactory. The responsibility there- pens that mail matter that should fore still seems to rest upon man for the decrease of marriage. The wo-men will venture, if the men will. Of course the men never spend a dime extravagantly in either dress or anything else, never. If there is any extravagant spending, the women do it. Meantime it may be well to con-Meantime it may be well to con-

sider that if marriage decreases, the inclination of the sexes towards all have reason to be thankful for each other does not decrease, that the kindly providences over us.

such inclination comes by an immutable law, and that unless that inclination be gratified in marriage it will be gratified outside of mar- By Telegraph. riage. In short, the decrease of marriage means the increase of immorality and illegitimacy, the increase of seduction, fornication, adultery, with all that those ugly words imply. In this view the derease of marriage is a dead loss to a nation.

HUMAN INFANTICIDE.

The New York Herald says-

"No animals are known to abanas a member of mercantile partnerdon their progeny, for the word abandonment cannot properly be applied to those few cases in which the young of certain animals reship. He claims that the liability of each is only for such proportion of the debts as his stock bears to the bank's total capital. He advises faith in the leading directors, whose ceive no care because they need none. In every species where the progeny need care and defense it is personal integrity insures every ef-fort for resumption and the settle ment of all liabilities. The letter the one inseparable trait of animal 'morality' to furnish these to the last extremity if need be. Even those who hold that humanity is only the latest step in progress from animal life must admit, thereis well received. President Orton, of the Western Union Telegraph Co., speaking in connection with the proposition of fore, that a growth which seems all in the direction of improvement consolidation with the Atlantic and
