Do You Take
A RIDE?

No more pleasant ride can be found anywhere than that to the suburbs of Salt Lake City. If you drive, ride horse back, or use a bicycle, the scenery is most beautiful.

Why not combine business with pleasure? If you buy a house in Forest Dale, you can enjoy the ride to and from your residence.

What is more interesting during these warm days than a ride in an open electric car? Try it early in the morning or after your work in the evening.

Indulgence to build. Small payments and long time at low interest will be afforded desirable parties.

Call at Cannon's office, 233 Constitution Building, and get full and prices.
