ed discharged.

"The attempt of Ann Eliza, I nineteenth wife of the leader of the Mormons, to secure allmony, was a species of test case, and which the result was undoubtedly a triumph for the polygamists there can be no question that the decision of Judge White could not logically have been other than it is. It would have been the shearest travesty of justice for a United States court to recognize polygamy. To have com-pelled Brigham Young to pay ali-mony to any of his numerous 'wives' would have been to recog-nize all of them as bearing, legally, the Dead Letter Office. Brower A Bergeusten Mrs Bird E nize all of them as bearing, legally, that relation to him."

Why Good "Mormons" are the Best Men .- "Maud Lily," in the Woman's Exponent, explains one reason why good "Mormons" are

Cowley A Crocker E Cadwell H Clowen E Cook J Cook J Cook S A Cook W "As the time of bonest love-mak-ing is the brightest, happlest and best period in almost every man's life, very likely one reason why life, very likely one reason why good 'Mormon' men are the best men in the world, is that in their lives there are so often recurrences of those interesting occasions." Dillard M A Maud then goes on to say what he would do if she were a man.

TOST E R She would do her best to insure plenty of "recurrences of those in-teresting occasions." She would do field Mrs thus and so, and then, says she-Gill M Gabbo

"I would marry not one wife only, but half a dozen or more of the dear good girls I know, provid-ed they could see that I was the right man for them.
