WOMAN'S TRIUMPH.

A Severe Surgical Operation. It is Endured without taking Ether. Return of the Disease prevented.

From the Correspondence of the Ringgon, N. Y. *Freeman.*

The case of Mrs. Edward Meyers, of Roudout, New York, furnishes an apt illustration of woman's power of endurance. This lady had been treated for months in the usual way for Erysipelas of the hand, without benefit. Not until her hand had become a mass of putrid flesh did she turn to Dr. David Kennedy, proprietor of the "Favorite Remedy," which is made at Roudout, N. Y.

He informed her that it was impossible to save the hand—it must be amputated. She received the terrible intelligence quietly, declined to take ether, stipulating merely to hold her husband's hand during the operation, and underwent the painful process without moving a muscle or uttering a groan. Dr. Kennedy then gave "Favorite Remedy" freely to cleanse the blood and prevent a return of the disease, and Mrs. Meyers now lives and rejoices in her great deliverance.

Dr. Kennedy's "Favorite Remedy" is fast becoming a trusted household friend in all cases of Female Weakness and diseases of the Blood, Kidney and Liver complaints, and Constipation of the Bowels.

Dr. Prentice,

Recently from London, Eng.,

Whose unequaled success in the treatment of

EYE, EAR AND CATARRH

Astonishes Everyone,

Has been induced to again postpone his departure until

Sept. 1st.

The following are a few of the many cases of cross eyes Dr. Prentice has straightened in this city in less than one minute:

Geo. A. Smith, Salt Lake City.
Susie M. Shettler, Salt Lake City.
Frank J. Hickling, Salt Lake City.
Florence Pepper, Salt Lake City.
Lester Riggs, Salt Lake City.
Sarah Wilder, Salt Lake City.
Joseph McRae, Salt Lake City.
David M. Cambell, Providence, Cache County.
Catherine Bivens, eye turned outward.
P. Pugsley's grandson, totally deaf in one ear, restored to hearing, and many others.

PILES.

Piles are almost instantly and painlessly cured by Dr. Prentice, and the cause forever removed.

I have been afflicted with Hemorrhoids (or Bleeding Piles) for the past twenty-five years. For several weeks past the pain has been so intense that I was forced to quit work. I found no relief either day or night, and was frequently compelled to walk the floor all night long, as it was impossible for me to sleep. In this condition I called on Dr. Prentice at the Continental Hotel, who, after a painless operation of less than one minute, relieved me from all pain, and I have been able to sleep and rest well ever since.

I consider myself perfectly cured, and unsolicited offer this testimonial for the benefit of those who may be similarly afflicted. HENRY GREGORY, 149 N. West Temple Street.

Dr. Prentice can be found at the Continental Hotel, Salt Lake City, until

SEPT. 1st.

MADE HANDSOME.

Mr. B. H. Shettler, of Zion's Savings Bank, has a bright and intelligent little daughter nearly nine years old, but she has suffered the unfortunate disfigurement all her life of being badly cross-eyed. Susie M. Shettler's parents were very loath to trust any one to operate on her eyes. But they had faith enough to trust Dr. Prentice, and he has made the eyes perfectly straight, which was done in less than a minute, and Susie Shettler is now a handsome little girl, while her parents are well pleased.

JUDGE CARLTON'S LETTER.

SALT LAKE CITY, August 7, 1888.

Dear Doctor:—Before leaving for the east I wish to express my appreciation of your treatment of a complicated case of the eyes. I have tried for several years to get far-seeing glasses, and I had concluded that I could get none that would be of any benefit to me. But after I saw the wonderful benefit of your system, I take pleasure in saying that the glasses furnished by you have restored my vision both for reading and far-seeing to the same condition as in my boyhood. I resolved to have you furnish me glasses after I witnessed your system to a beautiful young lady of sixteen years, from Summit County, afflicted with a complicated condition of the eyesight. She told me she had never been able to distinguish one's face at a distance of six feet. With Dr. Prentice's glasses she could see as well as any one. As she looked up and down the street, and for the first time in her life saw the distant mountain tops, she was greatly delighted, and inquired with childish simplicity, "Do other people see this way?" It seemed that a new world was opened to her view, so novel and beautiful as "Eden's rosy bowers," appeared to our first parents.

Yours truly,
A. B. CARLTON,
Chairman Utah Commission.

EVENING NEWS.

Friday, August 24, 1888.

BANNOCK STAKE CONFERENCE.

The Stake Conference of the Bannock Stake of Zion was held in Lewisville Aug. 18th and 19th. We had with us, besides the Stake Presidency Bishops and other leading men of the Stake, Apostle Lorenzo Snow.

On Saturday, Aug 18th, at 10 o'clock a. m. meeting was called to order and most of the forenoon was devoted to hearing reports of the Bishops and Associations, which in most instances were encouraging. President Wm F. Rigby of the Stake Presidency made a few encouraging remarks.

Benediction by President F. C. Gunnell.

At 2 p. m. conference again convened. After the usual exercises an Elder spoke at some length on our mission while in the flesh; also referred to the gathering of the Latter-day Saints to these valleys, as being in fulfillment of the Prophets.

Apostle Lorenzo Snow was very much impressed with the country as he had viewed it in coming here from Utah. He had been very much interested in the reports as they had been rendered in the forenoon by the various officers, and could see a marked progress temporally with the people in the Bannock Stake of Zion. Exhorted the Saints to progress equally in their spiritual duties, and spoke at length to the different associations.

In the evening there was a general Priesthood meeting which was well attended.

On Sunday at 10 a.m. conference again convened. After the usual exercises the statistical report was read.

Elder F. S. Bramwell bore his testimony to the truth of the Gospel and referred to his mission to the Bannock Stake.

Another Elder spoke upon the resurrection, and gave a great many proofs on the same from the Bible, etc.

Brother John Donaldson bore his testimony in support of what had been said.

At 2 p. m., after the sacrament had been administered, the General, Church and Stake authorities were presented and sustained by the conference.

Apostle Lorenzo Snow occupied the remainder of the afternoon, and spoke at some length upon educational matters. He urged upon the people to have a Stake academy established, and invoked the blessing of the Lord on the Saints.

Conference was adjourned for three months.

Benediction by Apostle Lorenzo Snow.

Excellent singing was rendered by the Lewisville and Rexburg choirs, under the able management of their leaders.

As this was the first Stake conference ever held in Lewisville since the organization of the Stake, it afforded an opportunity to the Saints on the south side of the Snake River, which was taken advantage of. The people of Lewisville had enlarged their bowery for the occasion, and it was filled to overflowing.

The Spirit of the Lord was poured out in great abundance upon the speakers and congregation and all felt that they had been greatly blessed by attending conference.

WILLIAM W. SELCK, Stake Recorder.

CONFERENCE IN SANPETE.

The regular quarterly conference of Sanpete Stake was held at Mount Pleasant, commencing at 10 a. m. of August 18, 1888. There were present: The Stake Presidency; members of the High Council; and a very good representation of the several ward bishoprics.

Conference was called to order by President Beal, who also made opening remarks.

Bishops W. S. Seely, J. A. Allred, C. L. Thorp, N. P. Madsen, John Bartholomew and John Rees, each gave an encouraging report of his ward.

2 p. m. After the usual opening exercises, President Peterson instructed the Saints to be diligent in procuring the genealogies of their friends and relatives in order to be able to labor for them. He also urged the necessity of keeping correct ward records.

At 3:40 p. m. Apostle F. D. Richards arrived. Reports of statistics and Sunday schools were read.

Bishop C. C. N. Dorius gave a brief sketch of his experience in prison life.

President Peterson gave notice of a meeting at 7:30 p.m.

Singing and benediction.

At 7:30 p m. Elder F. S. Richards gave a very entertaining account of his labors in behalf of the Latter-day Saints.

Sunday 10 a.m Called to order by President Peterson. Opened by singing and prayer

Apostle F. D. Richards said the Lord is blessing the land for the good of the Saints, as is shown by the abundance of grain and fruit. Although the Gospel is being preached and temples built, the wicked are restrained from laying violent hands upon the Saints, as has been the case in former dispensations, and somewhat in this. Yet they are permitted to annoy us sufficiently to keep us from falling asleep and forgetting the important duties God has laid upon us. He counseled the Saints to pay their tithes and offerings, as there is no fear but the means will be rightfully applied, as that means does not belong to the late Church corporation. He said it was desirable to get the roof on the Salt Lake Temple before winter sets in.

There is among the people too much of a spirit of feeling, especially in the Aaronic Priesthood, and presidents of quorums, where should exist the utmost familiarity. Among the people the greatest freedom should exist and we should become acquainted with each other that confidence may be established.

Elder F. S. Richards said it afforded him much pleasure to meet with the saints and bear his testimony. In looking over the congregation he saw that many are of that class that have been born and raised in these mountains. Do we realize that what we call the Gospel was revealed by God himself, and that the world for generations had been deprived of the Gospel? They have had what they call the gospel, yet when we compare the Gospel with the creeds of men, it makes the former appear the brighter. There is no principle of the Gospel that need to be kept hid, and it is good at times to examine what others believe and make comparisons.

2 p. m. The sacrament was administered.

President Malben presented the General and Stake authorities and all were sustained unanimously.

President Peterson thought the Stake was well represented in this Conference. Said that if the Saints will keep the commandments of God and the Sabbath day, they will be able to do all the work that is needful to do. We are increasing in wealth, as evidenced by the great numbers of carriages, road carts and vehicles of various kinds, horses, sheep, and cows in great abundance. If the committee on education that has been sustained at this Conference, will take the business in hand to fit up a building for a high school for the coming winter, it will be a step in the right direction. The business before us in the immediate future is the building of an academy.

Apostle Richards said he had been pleased with the remarks of President Peterson in relation to education. This subject has had much consideration. It is our duty to provide facilities whereby we may be able to teach our children the principles of our religion.

President Peterson gave notice that conference would adjourn for three months to meet in Moroni. Singing, "Praise God from whom all blessing flow," during which the congregation arose.—Benediction by President Beal.

GEORGE TAYLOR, Clerk.

London Aug. 23.—The arrival at Yokohama of an English steamer with a cargo of Russian kerosene has caused a decline in the price of American petroleum there.

New York Aug. 23.—A Californian named Armond Cailloan, a passenger on the *La Campagne*, was held by United States Commissioner Hitchcock today for smuggling jewelry. Bail $600.

Beauty

Is desired and admired by all. Among the things which may best be done to enhance personal beauty is the daily use of Ayer's Hair Vigor. No matter what the color of the hair, this preparation gives it a lustre and pliancy that adds greatly to its charm. Should the hair be thin, harsh, dry, or turning gray,

Ayer's Hair Vigor will restore the color, bring out a new growth, and render the old soft and shiny. For keeping the scalp clean, cool, and healthy, there is no better preparation in the market.

"I am free to confess that a trial of Ayer's Hair Vigor has convinced me that it is a genuine article. Its use has not only caused the hair of my wife and daughter to be

Abundant and Glossy,

but it has given my rather stunted mustache a respectable length and appearance."—R. Britton, Oakland, Ohio.

"My hair was coming out (without any assistance from my wife, either). I tried Ayer's Hair Vigor, using only one bottle, and I now have as fine a head of hair as any one could wish for."—R. T. Schmittou, Dickson, Tenn.

"I have used Ayer's Hair Vigor in my family for a number of years, and regard it as the best hair preparation I know of. It keeps the scalp clean, the hair soft and lively, and preserves the original color. My wife has used it for a long time with most satisfactory results."—Benjamin M. Johnson, M. D., Thomas Hill, Mo.

"My hair was becoming harsh and dry, but after using half a bottle of Ayer's Hair Vigor it grew black and glossy. I cannot express the joy and gratitude I feel."—Mabel C. Hardy, Delavan, Ill.
