Spring stor as first overturn those tre which are not well grounded. Don't let the grounded. Don't let these enervating opring days find you poorly prepared to resist them. To have strong nerves, rich blood, good appetite and sound digession is to be well grounded. Scott's Emulsion of Cod-liver (b) with Hypo-booking the first strong to the of Cod-liver (oil with Hypo-phosphites will give all these, because it morthales the whole system and reaches the very tissues of life. Better have the spring cough blow by you rather than stop with you for weeks or all summer long. Per steley addresses are presented from Scott a BONN. General New York
