Ogden had the advantage, for some of their players were over a foot higher than Salt Lake, but the boys from the capital flew all around the big fellows from the Junction City, and so ran up a higher score. The game was played upon a dancing floor, smooth as glass, and without a bit of resin on it. The home players were accustomed to the floor, but the visiting team silpped all over whenever they tried to play. Most of the playing was done down near Weber's goal, but whenever. Shines. When Battling Nelson and Jimmy Britt, with their respective mana-gers, Bill Nolan and Wille Britt, started on their theatrical tours after the famous fight at Colms, Cal, they must have had some klad of an un-derstanding, as otherwise they would not have been able to hold up the theatrical companies for the big money they have been getting. The two started out almost together and have been following one an-other for several weeks or playing the same towns at the same time, only at rival theaters. Nelson would sign with one company and in order to stall off the crowds from flocking to Nelson the rival company would be obliged to take Britt as a counter attraction and split the busi-ness. In that manner Nelson and Britt have been getting as high as \$1,20° a week and Manager Nolan has been get-ting S per cent of his share. That has been pretty easy picking all around, and they have been making hay while the sun shines. The proposed match with Me-Govern was used pretty much as an ad-vertising scheme and not to be ouldone by Nelson the wise Mr. Britt has made even better offers to meet McGovern and thus keep in the limelight James J. Corbeit was a genuits at keeping before the public when he first started out; so was Bob Fitziammons, but they have nothing on Britt and Nelson. The fam Corbett was a genuls at keeping before the public when he first started out; so was Bob Fitzsimmons, but they have nothing on Britt and Nelson. The fans should never consider the McGovern match sciously. for even though they should be matched Terry has but the slightest of a chance to defeat the Bat-tier. The only match that Nolan is after at this time is one with Jimmy Britt, al-though he goes around saying he will never give him a match until he pays up some, money that another man owes him (Nolan), but when the proper time comes the Dane and Native Son will be found preparing for their third struggle. It is all a matter of keeping before the footlights ootlights. WITH THE BOWLERS

"Your request for a reference about "TRIB" received and will give you the words of praise only that your treatment deserves, and that is much. "My son was a hard drinker and to-

bacco user for twenty years and has taken many advertised cures for both liquor and tobacco, but never stayed with it longer than one month at any time until I got "TRIB" for him. "TRIB" about ten months ago and has not use either liquor or to-bacco since the fourth day he commenced to take your treatment. He has gained 20 pounds and is home with me every night he is in town. You may use my name to tell people "TRIB" is all you claim for it."

Each treatment is GUARANTEED by us; it is our way of doing business with you. Price, \$12.50.
