LOCAL AND OTHER MATTERS.
CIRCULAR.SALT LAKE CITY,
July 7, 1880.To the Bishops of the several Wards
of the Salt Lake Stake of Zion:

Dear Brethren.—As many questions have arisen in regard to the circular of the Twelve Apostles relating to the remittance of P. E. Fund and back Tithing indebtedness, we have prepared ruled forms for the purpose of obtaining separate lists containing the information last referred to below:

1st. A list of the worthy poor for whom remittances are recommended in amount of P. E. Fund indebtedness, giving their names, ages, year emigrated, captain of their company and amount of remittance recommended.

2d. A list of those who from any cause refuse to pay their indebtedness, giving their names, ages, year emigrated, captain, and why they refuse to pay.

3d. A list of the worthy poor for whom remittances are recommended in amount of unpaid tithing, giving their names, ages, amount of indebtedness and amount of remittance recommended.

4th. A list of those who are owing back tithing, who from any cause refuse to pay such indebtedness, giving their names, ages, amount of indebtedness and why they refuse to pay.

5th. A list of those who from any cause refuse to pay their indebtedness, giving their names, ages and what is recommended by their bishops.

6th. A list of donors to the Jubilee Fund with the amount or articles received.

For the purpose of answering any questions, making any further explanation concerning this matter, or securing any other assistance, we have appointed missionaries to visit each Ward of the Stake on Sunday, July 14th, who will be instructed for that purpose and will bring with them the blanks above referred to. If you find that you can make up the amount that the poor of your ward require, report the names of those who should be relieved and also the source from which such relief is received, and if a cow or a few sheep would not prove a blessing to the worthy poor of your ward, think of something else that would gladden and cheer their hearts, and report accordingly, that the blessings of the Lord may be showered down upon His people.

If after a careful investigation it is found that all the Saints of your respective wards are comfortably situated, let not this deter you from subscribing liberally for the relief of you less fortunate neighbors, who have suffered from a long and severe winter after a dry summer, and do not forget at the same time to urge upon the Saints to deal liberally with each other as they would have the Lord deal with them.

Trusting that you will obtain the information above called for, and be ready to fill in the blanks by the day named, or if not, as soon after as possible,

We are, your brethren,
ANGUS M. CANNON,
DAVID O. CALDER,
JOS. E. TAYLOR,
Presidency of the Stake.

High Council.—The regular

high council meeting of the High Council will be held in the Council House to-morrow (Friday) evening, at half-past 6 o'clock.

W.M. W. TAYLOR, Clerk.

The Drama Represented.—At the meeting of the committees, last evening, who have the arrangement of the mammoth celebration on the Twenty-fourth, a committee was chosen from the ranks of the Dramatic Association of this city to make preparations to represent the dramatic scenes in the grand procession on that memorable day.

Editor's Deseret News.

Gentlemen.—The members of the Deseret Club of Utah, would be pleased to have you meet with them at the office of Chas. L. Stevenson, at 5 o'clock this evening, Cham Chowder at 8 sharp. By order of committee.

Your truly,
CHAS. L. STEVENSON.

Seduction.—The Junction of Tuesday evening mentions a case of seduction in that city, commenting upon it at length, but suppressing names. It says, however, that the victim is a young girl of about 18 years, of respectable parents. Last night's issue of the same paper states as follows:

"Cole, the seducer, appeared before Justice Middleton this afternoon. Through his attorney, P. J. Barratt, he pleaded not guilty, and was given further time to prepare for his defense."

Left Out.—Father James Whitehead, of the 18th Ward, who is 77 years of age, writes to us to know why he was not invited to go on the Old Folk's Excursion to-day. He says he came up from a visit to Springville to go, but there was no ticket for him, although he has been a member of the 18th Ward for 20 years. In the High Priest's quorum, we do not think the omission was intentional, but must refer Brother Whitehead to the committee for explanations.

The Utah Eastern.—We clip the following article from the Park City Record:

"We have often been surprised to see the steady flow of coal from the mines of the state of Utah. In nothing has the Union Pacific Railroad exceeded in its public spirit manifested towards the Utah Eastern Railroad. The people of Park City should come forward and take from \$5,000 to \$10,000 of the stock of this notorious enterprise. If we were to contribute for instant that the monopoly of the coal trade by the Union Pacific Railroad costs this city about \$400 daily in 'exorbitant' rates, and Salt Lake City \$160,000 per month, and that amount is not all paid to the railroad, it would be only reasonable to throttle the people's road to the Eastern, we would see it in a moment. Hence, we suggest that merchant and citizen of this place to come forward and subscribe from their means, great or small, showing at least their willingness to support an institution that by giving us a monopoly, will stifle our mining interests and add us yearly \$160,000. This will be much rather than over the figures. Let us crush out this road and we never again will have the chance to prosecute against low rates. We say every mine owner and every store keeper sign an agreement to take every pound of coal for 25 years at \$1 per ton, sooner than pay the Uncle Pacific \$2.50."

The advice given to the citizens of Park City is good for consideration by those of our own community. We have no quarrel with the Union Pacific nor with any other corporation, but we certainly do feel to sustain the building of the Utah Eastern and to lend the enterprise every encouragement possible. The prospects are very favorable, so far, and we trust the people of Utah will come forward with a will in this direction, and disburse the Record of the opinion it has formed of them, respecting an apathy toward works of public interest.

The Twenty-Fourth.—The general and sub-committees on the 2d of July, celebration held a meeting in the Council House, last evening. Thirty-five out of sixty, three sub-committees appointed reported active preparations going forward for the coming event. The following additions were made to the committees:

DAVID MCKENZIE,
For Committee.

Married.—Today, Mr. Jedediah Aylett and Miss Alice Cecilia Penrose were married at the Endowment House, by President Dr. H. Wells. The husband is the son of William Aylett, Esq., of West Jordan, the bride a daughter of Hon. Chas. W. Penrose, of this city. We congratulate our young and happy friends on their union, and wish them a world of joy and prosperity both here and hereafter.

On Silk.—Reuben Simpson, Laurinda Robinson, Mrs. Wardoupe, Silver Greys.—John Lyon and John Lewis.

Minute Men.—Wm. Taylor and J. Q. Knowlton.

On Mineralogy and Mines.—Jos. A. Johnson.

On Nationalities.—A. N. McFarlane, Henry Horsey, Fred A. Mitchell, Eliza Morris.

On Battation.—Robert Paxton.

The following additional committees were selected:

Carpenters.—Geo. Romney, Henry Grow, Wm. Asper, John Paul and H. J. Foulger.

On Drama.—David McKenzie, H. K. Whitney, H. M. Wells, Phillip Margets and Delle Cummings.

The sub-committees were urged to get in their final reports before next Saturday, the 10th inst.

The general committee will meet at the same place next Monday evening at 7.30.

Family Feud.—

On June 28th a man called Stokes and his wife had a disturbance with Dr. Plant and family at the Big Range, near Kayville, over the too common neighborly quarrel about land and water. The ladies of the Doc's household interfered to protect him from the violence of the Stokes family and one of the ladies received a severe wound in the fracas. The Dr. immediately went to Kayville and swore out two complaints against "Stokes and son," changing them to "Wood" and "Wood," the other with disturbance of the peace. Stokes, hearing of this, swore out cross complaints against the Plant family, charging them with the same offenses. The case was called on the 6th, before Mr. Gillies, J. P. of Kayville, J. P. Barrett, Esq., appearing for the Dr. The case lasted the whole day, and was greatly enlivened by the amusing conduct of Stokes, who seemed to imagine that he was not only a witness, but should conduct the whole legal procedure. From the evidence it appeared that the air must have been blue with blasphemy on the part of Stokes. The Justice dismissed the case against the Plant family, and fined the Stokes' the sum of \$5 and costs, which amounted to a considerable sum.

Enquirer's Notes.—From yesterday's issue:

Nearly 100 picknickers went up to the mountains Saturday last to have a nice quiet celebration of the 4th all to themselves. We understand that Hon. John B. Milner was the orator on the occasion.

Evil eye—the man Rager, who was sent from Salt Lake to take the census of Benjamin, Salem, Alpine, Cedar Valley and Thistle Valley precincts, has been slighting his duties. His lists are now in the hands of the County Clerk, and we trust that those individuals who are knowing themselves to have been neglected by this man, will come forward and contest his lists.

Pleasant Call.—We were pleased to-day, to receive a visit from Samuel S. Parks, Esq., traveling agent of the Chicago and North-Western Railroad, a line with which our people have done considerable business. The gentleman is highly pleased with our city and people and surprised at the work that has been done in redeeming this land from the desert. Mr. Parks, who is an intelligent and clever gentleman, left this afternoon for Ogden on his return trip to Chicago. Pleasant journey home.

Y. L. M. I. A.—The president of the Y. L. M. I. A. of this city are requested to meet the committee on decoration at the office of the Woman's Executive, on Friday, the 9th inst., at 1 o'clock p.m., sharp.
