THE SHOWNAN'S STORY. LIFE STEAT AMONG V"CROUB AND

ther between shows now and shows in times game by," said one who has grown up in the basiness, and vin, until a few months ago, know emparatively little about any other with the basiness of the peaker was Mr. J. W.

be; it's changed."
"Tell me something about your happened in Calco, III., about twe years ago, on a parade. You see, I, was in one cage with that spotted fellow down youder, and Pearl AI-wood, mother trainer, was in the age with Molly bers. We never outh tell just how it happened, but if at once the itoness sprang up and truck Pearl on the lock with her paws. The blow paralyzed him, and in two months he died. It was retty leaf, but such things will suppose, you know; and the worst

occasionally to use language which the tast of our day, that likes its medicine sigared, may bern disgusting. Note too how well chacked pasting. Note too how well chacked pasting. Note too how well chacked pasting that exhibit inchina, one of his greatest villatine, gives in also imagen, the sweetst womm that lives in verse; Miranda is brought into opposition with Calibar; if there had not been an large we should not have had a Desalemona, and for Milbor's Eve we have to thank the nursh field an Desalemona, and for Milbor's Eve we have to thank the nursh field with owns found in the nursh field part in the state of the control of control of the state of the control of the state of the

Telegraph by Camon Se

The stage has its brightness, to this its and ship, too, says Market fanola. By reason of her imper-ment, an actress feels more keeply regarding a yearning natural to all yearning a yearning natural to all women. By the very uniture of the traveling theatriest ayelem which now prevails, that sweriness of all loy, the joy of a tranqual home life, is denied to nearly all actresses. We Hee here, there, everywhere, We will some place home but years.

so bitterly as you take its citiging arms from your neck and kies the beloved lies good-by,—Flalladelphia Loner Home Journal.

Short Life of the Dog. A lower of days writes. The do is short, lived. He is aged at 1 years, he old in point of decrepiting as a horse at 22, more so than a ma at 80. It is said to think for hor short a time we have thin prim favorite with us, and what humen's lices are porred over his earl grave. He doubtles lives a fix life. He has fine faculities, seen and sight and bearing, and he use them without stind. His diposite must be preity good, too, judging by and sight and hearing, and he us them without shirt. It is digodic must be pricity good, too, judging it the way he beids his food. Ferna, nature has deshined blue to we binnest out insulating to the beautiful write—in short, to rival her, group blees of well, man, as he might he had fifty your linear of filter to do it in.—ibstront Star.
